ACKNOWLEDGEMENTS

I take this opportunity to express my sincere and profound gratitude to my supervisors and guides Prof. M. Saleemuddin, Coordinator, Interdisciplinary Biotechnology Unit, A.M.U. Aligarh and Dr Anil K. Rastogi, Ex-Head, Division of Biochemistry, C.D.R.I. Lucknow, for their keen interest, constant encouragement and sound criticism throughout this study.

I would like to thank and express my deepest regards to Dr Arvind K. Srivastava, Assistant Director, Division of Biochemistry, C.D.R.I. Lucknow, for his deep interest and immensely valuable suggestions during the course of this investigation. My association with him also taught me to appreciate the value of patience, sustained effort and humility in the development of healthy scientific temperament.

I wish to express my sincere thanks to Dr C.M. Gupta, Director, C.D.R.I. Lucknow, for providing me all the facilities.

I am thankful to Dr J.K. Saxena, Head, Division of Biochemistry, C.D.R.I. Lucknow, for giving me necessary facilities and support.

I wish to extend my sincere gratitude to Dr Tayyab, Dr Owais, Dr Rizwan and Dr Asad of IBU, A.M.U. Aligarh and Dr Charu C.D.R.I. Lucknow, for their suggestions and generous help.

I owe a great dept to all my seniors Dr Savita, Dr Deepak and Dr Ravi for their amicable help and cooperation.

I feel fortunate to have colleagues like Priti, Sapna, Kavita and Rumana who provided me constant support, unforgettable affection and encouragement.

I can not forget the ungrudged help and support rendered by friends & colleagues Azhar, Soghra, Masood bhai, Hina apa, Sandy, Mukul, Vinay, Anil, Kauslai and Saquib.

I acknowledge the technical assistance from Sureshji for his much needed help all along to accomplish this work.

Financial assistance is gratefully acknowledged from CSIR, New Delhi.

I am indebted to my family members especially to my father whose moral support, benediction and affection bolstered me all the way during my studies.

Finally, I look upon those researchers whose life and works always motivates me and make me aware of my responsibilities toward making the world a better place to live in.
