Acknowledgments

In the praise of Almighty Allah who bestowed on me the divine guidance to embark upon this task of keeping in realms of facts and events.

First and foremost, I must, gratefully record my indebtedness to all the eminent authorities, scholars and researchers whose investigations I have consulted and whose ideas and insights have richly contributed to the shaping up of this study.

I express my deepest sense of gratitude and indebtedness to my supervisor Dr. Mansoor A. Siddiqui for suggesting the problem, valuable guidance, incessant encouragement, constructive criticism, expedient advice and care during the course of investigation and preparation of this manuscript. His valuable suggestions added to the output of the research and inspired me to have a better grip over my research field. His adeptness, creative thoughts, perspicuous mind and words shall forever remain in my mind.

I am greatly beholden to Prof. Ainul Haq Khan, Chairman, Department of Botany, Aligarh Muslim University, Aligarh, for his kindness and providing necessary facilities to undertake this study. I also extend my gratitude to Prof. Akhtar Haseeb, Chairman, Department of Plant Protection, Faculty of Agricultural Sciences, A.M.U., Aligarh, for providing me the necessary space at the Agriculture Department for my field experiments.

With all regards, I acknowledge the co-operation and help rendered by the teaching & non-teaching staff of the Department.

My eternal gratitude goes to my sisters and my brothers for their consistent inspiration, encouragement and moral support during my hard time without which my long cherished aspirations would have been vanished. My
special thanks goes to my brother Mr. Zahoor Ahmad Rather, who always positively, selflessly and untiringly encouraged me to do this arduous task.

Diction is not enough to express my thanks to my friends Rafiq, Shahid, Showkat, Yousf, Faheem, Abid, Ghulam, Tariq, Nazir, Fayaz, Amin, Mazid, Swarn, Ashraf and all my nears and dears who were always there to help me during the course of this work.

New horizons define new needs, relationships and new friendships making the celebration of life more meaningful. I acknowledge the happy moments spend with my family especially my brothers Mr. Bilal, Mr. Mushtaq, Mr. Arif, Jeelani, Irfan, Junaid, Fayaz, Simran and my nephew Huzair. I also owe a special debt of gratitude to my friends Javed, Maqbool, Aashiq, Umar, Irfan, Hilal, Monu, Tahseen, Pervaiz, Irshad, Tauseef, Tanveer and Asif.

The eternal foundation of blessing, moral support and never ending sacrifice of my beloved parents and especially my Dad, who has lit the flame of learning in me and has enabled me to reach the footsteps of my long cherished goal, are highly acknowledged. Without their constant inspiration, this milestone would have eluded me.

Lastly, I wish to place in records my thanks to Mr. Mohd. Tariq for his excellent typing and formatting the thesis with meticulous care and devotion.

"Commissions and Omissions are mine, in the shower of Allah’s Mercy".
