Acknowledgement

I would like to express my gratitude to all those who gave me the possibility to complete this thesis. I want to thank my supervisor, Dr. Masroor A. Khan, as he has made available his support in a number of ways. His supervision and assistance from the preliminary to the concluding level enabled me to develop an understanding of the subject and refining the finished document. Apart from the subject of my research, I learnt a lot from him, which I am sure will be useful in different stages of my life.

My artless thanks are due to Prof Arif Inam, the Chairperson, Department of Botany, Aligarh Muslim University, Aligarh for providing the required facilities.

I owe my deepest gratitude to Dr. M. M. R. K. Afridi, Dr. Firoz Mohammad and Dr. Moinuddin for looking closely at the final version of the thesis and correcting as well as offering suggestions for its improvement.

I would like to thank all my colleagues for their support, help, interest and valuable hints especially I am obliged to Mohd. Idress, Dr. Manzer Hussain Siddiqui, Dr. Minu Singh and Dr. Mu. Naeem.

I consider myself blessed with friends like Afreen Arab Siddique, Uzma Shakeel, Rahat Nazar, Jyoti Varshney and Moin Khan and thank them for their help in difficult times. Especial thanks are due to my roommate, Shahnaz Parveen for her moral support.

I am bound to thank my librarians Rehana appa, Suhail Bhai, Rehman Bhai and Nisar Bhai for helping me to find out the sources. I am grateful to my lab assistant Shahid bhai and Muzamil bhai for their selfless help and corporation.

It is a honor for me to thank my sister Shazia Nasir and my brother Syed Mohammad Sharique Nasir for all that they have done for me, as they never let me down and were a real support throughout my thesis writing. They are always the source of bringing peace, joy and happiness into my life.

It is a pleasure for me to thank my cousin Dr. Syed Fahad Anwer and my maternal uncle Dr. Farooq Azam for their help and suggestions.

Lastly, I offer my regards and blessings to all of those who supported me in any respect during the completion of the thesis.

Shafia Nasir
