ACKNOWLEDGEMENT

It is my greatest privilege to work under the guidance of Dr. A. YOGAMOORTHI, M.Sc., Ph.D., Reader in Ecology and Environmental Sciences, Pondicherry University. With respects and regards, I wish to express my sincere thanks to him for the scientific freedom, infallible guidance, intellectual companionship, magnanimous understanding, invaluable suggestion and everlasting support during my period of research.

I am extremely thankful to Dr. T. Subramanyam Naidu, Director, Centre for study of social exclusion and inclusive policy, (formerly Co-ordinator, Centre for Futures Studies), Pondicherry University, for providing me the facilities to carry out the work and I also wish to extend my heartfelt thanks to Dr. A. Chellaperumal, Head of the Department, Anthropology, for his encouragement.

I am highly grateful to the Department of Education, Govt. of Puducherry for granting me permission to register myself as a part-time Ph.D., research scholar at Pondicherry University.

I am highly thankful to Prof. Dr. T. Balasubramanian, Director, Centre of Advanced Study in Marine Biology, Annamalai University for the facilities provided during the course of my study. With gratitude I wish to express my sincere thanks to Prof Dr. S. Rajagopal and Prof Dr. S. Ajmal Khan of CAS in Marine Biology, Annamalai University for their support and encouragement.

I wish to express my deep sense of grateful to Dr. V. Ravitchandirane, Reader, KM Centre for Post Graduate Studies, Puducherry for his tremendous help, scrupulous advice and untiring efforts throughout the period of my research.

I am grateful to Dr. Gunasingh, Reader in Zoology, KM Centre for Post Graduate Studies, Puducherry, who introduced me to marine realm. I extend my gratitude to Dr. B. Kumaran, Reader in Zoology, KM Centre for Post Graduate Studies, Puducherry for his inspiration in research and moral support.

I owe my heartfelt greatness to Dr. S. Kavimani, Reader in Pharmacology, College of Pharmacy, Mother Theresa Institute of Health Sciences, Pondicherry, for encouraging me to learn the skills of experimenting with animals and in bioassay studies.

I am greatly indebted to Prof Dr. S. Babuji, Institute of Pharmaceutical Technology, Annamalai University, for his advice and granting permission to utilize the facilities of library and laboratory for Pharmacological Studies.

I express my gratitude to Dr. M. Kalaiselvan, Reader, CAS in Marine Biology for identifying the fish species. I also thank to Dr. K. Mayavu, Lecturer, CAS in Marine Biology for helping in antibacterial studies and Dr. S. Baskara Sanjeevi, Research Scientist, ENVIS Centre, CAS in Marine Biology, Annamalai University, in search of references pertaining to my research.
I also thank **SPIC Science foundation**, Chennai and **CDRI**, Lucknow for analyzing the samples and sending me the spectral data.

My special thanks to **Dr. A. Prem Anand**, PDF, Indian Institute of Science, Bangalore for his encouragement and suggestions besides helping me in chemical analysis.

I wish to extend my thanks to **M/s. Bioscience Techno Park**, Puducherry for their timely help in taking up necessary lab testing.

I wish to thank **Mr. K. Veeraragu**, Lab. Assistant, Department of Biochemistry and Molecular Biology, Pondicherry University for his help during my study period.

It gives me a great pleasure to extend my thanks to **Dr. G. Palanisamy**, Centre for study of social exclusion and inclusive policy, for providing me technical guidelines as well as moral support during my research.

I immensely express my sincere gratitude to **Dr. W. C. Hodgson**, Department of Pharmacology, Monash University, Victoria, Australia for his generous help in providing the literature and encouragement.

My special regards to my sister **Mrs. R. Malarvizhi**, Lecturer, Bharathidasan Govt. College for Women, Puducherry and my uncle **Er. P. Thillaimani**, Technical Officer, Centre of Instrumentation Faculty, Pondicherry University for their immense help at various stages.

I am highly thankful to **Mrs. D. Selvi**, Director, Renewable Energy Agency of Puducherry, Govt. of Puducherry for her continued encouragement for the successful completion of my thesis work.

I also thanks to **Mr. M. Sundarajan**, Fisherman, for his help in collection of data from local fisherman community for the documentation of traditional biomedical knowledge.

No words can express my gratitude to my beloved **Mother** and **Father** without whom these study would have ceased to be a reality. I convey my deep sense of thank to my cousin **Er. E. Anandaraman** for computerizing the manuscript.

With great pleasure, I express my love and affection to my wife **Mrs. S. Dhanalakshmi** and my children **Mageshwar** and **Rithik Eshwar**, who have inspired me, encouraged me to succeed in my research career.

Last but not least, I thank my father-in-law, mother-in-law, brother, brother-in-law, sisters, sister-in-law all my family members and friends who have helped me during my research in one-way or other.

R. KUMARAN
