ACKNOWLEDGMENT

Foremost, my gratitude goes to Dr. S. Bose, Associate Professor, Department of Computer Science and Engineering, College of Engineering Guindy, Anna University, who guided me into the fractal realm. His vision, his enthusiasm and his spirit inspired and enlightened me to carry out this research with interest and involvement. I am grateful to Dr. C. Chellapan, Dean, College of Engineering Guindy, Anna University for the prompt help in providing the excellent ideas and reasoning to do this research work.

With profound reference and high regards, My heartfelt thanks to Dr. A. Kannan, Professor & Head, Department of Information Science and Technology, College of Engineering Guindy, Anna University for his consistent encouragement and guidance. His fruitful guidance made me to implement the ideas effectively throughout this research work.

I am very much grateful to Dr. T. V. Geetha, Professor & Head, Department of Computer Science and Engineering, College of Engineering Guindy, Anna University for the motivation provided regarding this work to finish the research within the appropriate time.

Finally, I thank to my father Mr. P. N. G. Gopal and mother Mrs. G. Rajeswari for their constant support and prayer in doing this research work. I thank my husband Mr. V. Vivek for his continuous efforts and blessings. I have been blessed, encouraged and helped by my great friends, colleagues and supporters throughout my thesis work.
