Acknowledgement

The study has made me indebted to many for their help in different ways. It is my sincere wish to acknowledge the help of all individually, but with space limitation I have been able to mention a few. Though, I shall remain grateful from the core of my heart equally to all for their help in the study.

At the outset, I offer my heartiest gratitude to my supervisor Dr. Paromita Das, Assistant Professor, Department of Mass Communication, Assam University, Silchar for her valuable guidance through the course of my study. It was because of her constant advice and encouragement that the completion of the present study became possible.

I shall always remain grateful to Prof. G. P. Pandey for his encouragement and blessings. I am also indebted to Prof. K.V. Nagraj for his valuable suggestions for the study at the initial stage.

Help from members of the Assamese film fraternity is also gratefully acknowledged; especially I would like to thank Jahnu Barua for his suggestions and constant encouragement for the study. I shall remain grateful to Dr. Candan Sharma of Tezpur University, who is like an older brother, for his valuable suggestions and views on Assamese cinema.

My gratitude shall remain to all faculty and staff of Department of Mass Communication.

I am highly thankful to my Husband Rajeev Bhattacharyya for his constant support. I am very grateful to my mother Deepika Sarmah for all her help and encouragement.
