ACKNOWLEDGEMENT

The writer wishes to express his sincere gratitude to Dr. Abrar M. Khan for suggesting the problem, constant advice, guidance and encouragement during the course of investigation and writing up of the manuscript. He is also greatly indebted to Prof. K.A. Chowdhury, for providing facilities during the course of these investigations. Thanks are also due to Mr. Khalid Mahmood and Dr. S.K. Saxena for their valuable suggestions.

The award of a fellowship by the Aligarh Muslim University, Aligarh and a scholarship by the University Grants Commission, during the tenures of which these investigations were carried out, are also gratefully acknowledged.
