ACKNOWLEDGEMENT

This thesis would not have been possible without the guidance, cooperation and help of a few individuals. I am grateful to them.

I sincerely appreciate the efforts of Professor Safia Sultana, Chairman, Department of Education, Aligarh Muslim University, Aligarh, who has encouraged me and extended all possible help.

My Supervisor, Dr. Mohd. Sharif Khan has been an unexhaustable source of guidance. I consider myself fortunate to have been able to reap the benefits of his profound knowledge and vast experience. I shall remain indebted to him.

Miss Rabia N. Usmani, who has aided in the collection of data deserves my gratitude. Mr. Mohd. Waseem Khan has so carefully completed the arduous task of typing my thesis. I am thankful to him.
