ACKNOWLEDGEMENTS

I take this golden opportunity to express a deep sense of gratitude to my esteemed guide, Dr. A. N. Misra, Professor of Pharmacy, Pharmacy Department, Faculty of Technology and Engineering, M. S. University of Baroda, Baroda for his intellectual guidance, kind co-operation, constructive criticism, perpetual encouragement, timely advice and meticulous attention throughout the course of this work.

I wish to express my sincere thanks to Prof. S. H. Mishra, Head, Pharmacy Department, Faculty of Technology and Engineering, M. S. University of Baroda, Baroda, for providing the necessary facilities for this study.

I owe a deep sense of gratitude to Prof. R. S. R. Murthy, Professor in Pharmaceutics, Pharmacy Department, M. S. University of Baroda, Baroda for his kind co-operation and timely advice.

My sincere thanks are due to the Dean, Faculty of Technology and Engineering, M. S. University of Baroda, Baroda for providing me with the facilities required for my research work.

I am extremely grateful to the Director, Technical Education, Gandhinagar, Gujarat, for providing me the permission to carry out my research work.

My sincere thanks are due to the Shri Kirit N. Patel, Secretary, BPKM, Bardoli, and Shri D. R. Shah, Principal, Dr. Dayaram Patel Pharmacy College, for relieving me from the regular workload of the college in order to carry out my research work.
I am thankful to M/s Cadila Pharma Ltd. Ahmedabad, and M/s Allergen Pharmaceutical (Ireland) Ltd INC, for supplying the samples of Acyclovir and Idoxuridine respectively for this study.

I express my deep sense of gratitude to Dr. Dipak Umrigar, Professor and Head, Department of Dermatology, Govt. Medical College, New Civil Hospital, Surat, for his excellent support for conducting clinical trials inspite of his very busy OPD hours. I would also like to thank Dr. Nainesh Bhatt, Resident Doctor, Govt. Medical College, New Civil Hospital, Surat, for the pains he has ungrudgingly taken for measuring the lesions, filling the data sheets and taking the photographs of patients during clinical trials.

I express my sincere thanks to volunteers who participated in the clinical studies, for their kind co-operation and sincerity during the clinical studies.

I express my cordial thanks to Mr. C. D. Upasani, to appreciate moral support, constant encouragement, undoubted kind co-operation, and the exceptional pains he has taken for this endeavor.

Many people, who deserve credit and thanks for this work. In particular, I would like to acknowledge help and support extended by my colleagues, Mr. S. Ganesh, Mr. Shrenik Shah, Mr. Ashwin Rao, Mr. Mayank Joshi, Vijay Ahire, Mr. Subramaniam, Mr. Harivardhan Reddy and Miss Arual Sudar for providing me the help, support and participating in discussions at various stages of my work.

I wish to express my sincere thanks to the entire teaching staff of Pharmacy Department for their co-operation and support during this work. My sincere thanks to Dr. (Mrs.) Krutika Sawant, Reader in Pharmaceutics for her obedient support during the entire tenure of my work.
I express my sincere thanks to Shri L. D. Patel, Senior lecturer, L. M. College of Pharmacy, Ahmedabad, for his kind co-operation in processing of statistical data.

My heartfelt gratitude to my dearest Mother and Father for their kind blessing, emancipated affection and constant inspiration.

No words of thanks would to enough to appreciate the moral support, constant encouragement and tremendous help of my wife, Sunita, to carry out this work.

My daughter, Pooja and son, Master Prasoon, need special mention for bearing with me during the entire tenure of this work.

(Avinash Kumar Seth)
