Acknowledgements
All praise is to Allah, the Almighty, the Creator and Sustainer of the worlds, who made it possible for me to accomplish a task which was quite beyond my ability and powers.

I express my hearty thanks and sincere gratitude to my supervisor Prof. Sayyid Ahsan, Chairman, Department of Islamic Studies, A. M. U. Aligarh, for his benevolent guidance, inspiring attitude, sympathetic behaviour, keen interest and devotion throughout the tenure of this work. Without his wholehearted cooperation, it would have been rather impossible to complete the present work.

I am also thankful to Prof. Abdul Ali, Prof. M. Yasin Mazhar Siddiqui, Dr. Ahsanul Haq, Dr. Adam Malik Khan, Dr. Ghazanfar Ali Khan and all the other faculty members of the Department of Islamic Studies, especially Dr. Imtiazul Hoda, for their kind cooperation and all the help they extended to me when I was in need of it. My thanks are also due to Dr. Shabbir Ahmad, Department of Arabic, and to Mr. Kabir Ahmad Khan, Mr. Khalid Hameed and the other library staff of the Library of the Department of Islamic Studies, and also to the office staff of the Department, namely, Mr. Zakir Ali Beg, Mr. Mohd. Salman, Mr. Salim Ahmad, and Mr. Islam Khan, who helped me at every stage of my work.

I am also thankful to my friends and fellow research scholars of the Department of Islamic Studies.

Above all, I am very much thankful to my father, mother and brothers and sisters, whose constant support and encouragement has given me the strength to pursue this work.
