ACKNOWLEDGEMENT

I express my deep gratitude to Dr. N. Sharma, Department of Geology, M.S. University of Baroda for the constant valuable guidance and full support and help during my research tenure.

I sincerely express gratitude and acknowledge the administrative help extended to me by Prof. N. D. Desai, Head, Department of Geology, Dean Science Faculty and Registrar, M. S. University of Baroda.

I express my sincere thanks to Smt. ViayaLaxmi Joshi, IAS, M.D, GMDC, Dr Dinesh Misra, IFS, CGM of GMDC, Shri D.U.Vyas,GM (Gelogy), Shri. A. L. Thakore, GM (Lignite Project) and Dr. A. K. Purohit, DGM (Environment) of GMDC, for granting the permission for pursuing the Ph.D. and encouraging me to complete the work in time.

I expressed my gratitude and thanks to Dr. C. Srikarni and Shri. A.R.V. Chowdhary, Sr.Geologist, GSI, for their academic help and guidance in the preparation of the thesis.

My thanks are extended to Dr. Chakradhar and Manish Mudgal, RRL, Bhopal for their valuable help and support and information sharing on the environment related to the study area.

I express my deep sense of gratitude to Shri. C. P. Mistry, Dr. B.G. Desai, Dr. Uday Bhonde for the help and encouragement extended to me.

The blessing of my parents helped me a lot for the completion of this work. I am particularly indebted to my brother Dr. Kaushik Pancholi and my sister in-law Sonal, whose support encouragement and understanding helped this effort to fruition.

The moral support and encouragement I have received from my wife Lina, daughter Bhavita, and son Samarth, have given me strength and will to complete the work.

I am thankful to Mrs. Ghori and Ms. Darshana for typing the thesis.

Finally I am thankful to God Almighty whose blessing have ensured the realization the thesis work.

( DINESH A. PANCHOLI )
