I wish to express my sincere gratitude and indebtedness to my esteemed supervisor, Dr. Shamsul Hayat, Associate Professor, Department of Botany, for his able guidance and continued interest for the completion of this research work.

I am thankful to Prof. Arif Inam, Chairman, Department of Botany, Aligarh Muslim University, for providing the necessary facilities during the research work.

I would like to place on record my profound thanks to respected teachers, Profs. Aqil Ahmad, Firoz Mohammad, Nafees A. Khan and Drs MMA Khan and Qazi Fariduddin for their encouragement.

I have no words to express my heartiest thanks to Dr. Syed Aiman Hasan, Dr Qaiser Hayat, Mr Mohammad Irfan and Mr. Arif Shafi Wani for their generous help and constant motivation throughout the research work.

Fortunately, I am blessed with a galaxy of sincere and adoring seniors and colleagues Dr. Barket Ali, Dr. Naeem, Dr. Bushra, Dr. Meenu, Mr. Yusuf, Mr. Idrees, Mr. Hamid, Mr. Masidur, Mr. Tariq, Mr. Mazid, Mr. Nadeem, Mr. Akbar, Ms. Shaista, Zeba, Priyanka.

Mere words fail to express my appreciation to my friends, love ones and family members Shweta, Radha, Shivam, Nisha, Richa, Farha, Zehra, Rose and Zeba who were the real source of motivation, inspiration and patience for me to be at this stage.

No words could adequately express all that my parents, in laws and my husband Mr. Varun have done for me. They have always been a source of inspiration, whose constant admiration helped me in my academic pursuits. Their sacrifices, prayers, affection and love made me to reach this stage.

Financial assistance rendered by University Grant Commission, New Delhi in the form of non NET fellowship at Aligarh Muslim University, Aligarh, and Senior Research Fellowship by CSIR, New Delhi, are gratefully acknowledged.
