List of Tables

2.1 Statement showing plan outlay for power projects and percentage distribution of total plan outlay
2.2 Statement showing targets and additions of electric generation capacity in the country during the seventh plan period
2.3 Statement showing targets and additions of electric generation capacity during the eighth plan period
2.4 Statement showing targets and additions during the ninth plan period
2.5 Statement showing growth of generating capacity in India since independence
2.6 Statement showing installed capacities (utilities) as on 31.03.2002 in various states of India (In MW)
2.7 Statement showing gross generation of electricity of utilities and non-utilities (in Million Kwh)
2.8 Statement showing per capita electricity consumption in India (In Kwh)
2.9 Statement showing pattern of electricity consumption in India (In %)
3.1 Statement showing date of establishment of various electricity boards
3.2 Statement showing rate of return of state electricity boards during fifth five-year plan
3.3 Statement showing cumulative surplus or losses of SEBs upto 31st March 1979
3.4 Statement showing commercial loss/profit of SEBs for the year ended 1982-83
3.5 Statement showing commercial loss/profit of SEBs for the year 1989-90
3.6 Statement showing financial performance of SEBs during eighth five year plan
3.7 Statement showing financial performance of SEBs during ninth five year plan
3.8 Statement showing top performer companies in the Indian power sector in 2001-02 as per Business World
4.1 A list of projects of NTPC Ltd. in the Northern India
4.2 A list of projects of NTPC Ltd. in the National capital region
4.3 A list of projects of NTPC Ltd. in the Eastern region
4.4 A list of projects of NTPC Ltd. in the Southern region
4.5 A list of projects of NTPC Ltd. in the Western region
4.6 Statement showing growth of generating capacity of NTPC Ltd. during eighth and ninth plan period
4.7 Statement showing no. of executives, supervisors and workmen in NTPC Ltd.
4.8 Statement showing no of employees, per capita value (Rs Lakh) and total value (Rs crore) of NTPC Ltd
4.9 Man-MW ratio of NTPC Ltd.
4.10 Statement showing value added, turnover and generation per employee during eighth and ninth five year plan period
5.1 Statement showing quantum of long-term and short-term fund of NTPC
Ltd. during eighth and ninth five-year plan periods as a percentage of total fund

5.2 Statement showing structure of long-term and short-term fund of NTPC Ltd. during eighth and ninth five-year plan periods (RS in crore)

5.3 Statement showing long-term funds, fixed assets and current assets as a percentage of total assets during eighth and ninth five-year plan periods

5.4 Statement showing capital gearing ratio of NTPC Ltd. during eighth and ninth five year plan period

5.5 Statement showing return on capital employed, rate of interest paid on debt and degree of financial leverage of NTPC Ltd. during eighth and ninth five year plan period

5.6 Statement showing debt-equity ratio and total debt-equity ratio of NTPC Ltd. during eighth and ninth five year plan period

5.7 Statement showing fixed assets to debt ratio of NTPC Ltd. during eighth and ninth five year plan period (in number of times)

5.8 Statement showing fixed assets to net worth ratio of NTPC Ltd. during eighth and ninth five year plan period (in number of times)

5.9 Statement showing interest rate coverage ratio of NTPC Ltd. during eighth and ninth five year plan period

6.1 Statement showing current ratio of NTPC Ltd. during eighth and ninth five year plan period.

6.2 Structure of current assets of NTPC Ltd. during eighth and ninth five year plan period

6.3 Statement showing age-wise break-up of debtors for the last three years of the ninth five year plan period (Rs In crore)

6.4 Statement showing quick and absolute liquidity ratios of NTPC Ltd. during eighth and ninth five year plan periods

6.5 Statement showing cash position ratio of NTPC Ltd. during eighth and ninth five year plan periods

6.6 Statement showing average collection period of NTPC Ltd. during eighth and ninth five year plan periods

6.7 Statement showing average disbursement period of NTPC Ltd. during eighth and ninth five year plan periods

6.8 Statement showing market command ratios of NTPC Ltd. during eighth and ninth five year plan periods

6.9 Statement showing liquidity index of NTPC Ltd. during eighth and ninth five year plan periods

6.10 Statement showing credit strength ratios of NTPC Ltd. during eighth and ninth five year plan periods

7.1 Statement showing comparative common size profit and loss account of NTPC Ltd. during eighth and ninth five year plan periods (in percentage)

7.2 Statement showing trend of operating expenses as a percentage of sale of energy in NTPC Ltd. during eighth and ninth five year plan periods

7.3 Statement showing common-base year profit & loss account of NTPC Ltd. during eighth and ninth five year plan periods (in percentage)
7.4 Statement showing gross margin ratio before depreciation of NTPC Ltd. during eighth and ninth five year plan periods
7.5 Statement showing operating profit ratios of NTPC Ltd. during eighth and ninth five year plan periods
7.6 Statement showing net profit ratios of NTPC Ltd. during eighth and ninth five year plan periods
7.7 Statement showing return on capital employed of NTPC Ltd. during eighth and ninth five year plan periods
7.8 Statement showing return on net worth of NTPC Ltd. during eighth and ninth five year plan periods
7.9 Statement showing EPS and PAT to equity capital ratios of NTPC Ltd. during eighth and ninth five year plan periods
8.1 Statement showing fixed capital turnover ratios of NTPC Ltd. during eighth and ninth five year plan periods
8.2 Statement showing total capital turnover ratios of NTPC Ltd. during eighth and ninth five year plan periods
8.3 Statement showing working capital turnover ratios of NTPC Ltd. during eighth and ninth five year plan periods
8.4 Statement showing inventory turnover ratios and stock holding period of NTPC Ltd. during eighth and ninth five year plan periods
8.5 Statement showing debtors turnover ratios of NTPC Ltd. during eighth and ninth five year plan periods
9.1 Analysis of Pearson's simple correlation between the selected profitability measure and ratios indicating liquidity, leverage and efficiency in assets management of NTPC Ltd.
9.2 Multiple Regression Analysis
10.1 Statement showing target and actual generation capacity addition during plan period (In MW)
10.2 Statement showing tariff applicable to different categories of consumers
10.3 Statement showing state wise distribution of power projects of NTPC Ltd.
10.4 Statement showing no. and capacity of each plant under commercial operation of NTPC Ltd. in the year 2001-02
