NAME OF CANDIDATE : Vaijayanti Pandit.
TITLE OF THESIS : Home Based Women Entrepreneurs in Mumbai.

I hereby state that my research work is leading to the discovery of new facts. These facts are hypothesized under chapter 4 of my thesis. My work leads to the advancement of knowledge in the faculty of Management in general, and Entrepreneurship Development in particular, as it provides the following:

(a) identifying of entrepreneurial effectiveness among home based women entrepreneurs in Mumbai

(b) An insight into factors favourable and not so favourable to entrepreneurial effectiveness of home based women entrepreneurs in Mumbai and the neighbouring suburbs

(c) Some recommendations for management training to aspiring and upcoming entrepreneurs.

(d) An opening for future research in entrepreneurship development, which may further enrich the process of entrepreneurship in India.

NAME OF CANDIDATE : Vaijayanti Pandit.
TITLE OF THESIS : Home Based Women Entrepreneurs in Mumbai.

The research findings were presented in the Doctoral Seminar attended by the students enrolled for Ph.D. in Management Studies, and the management faculty of Jamnalal Bajaj Institute of Management Studies, held on 25th October 1997. Their feedback and views were taken into consideration while finalizing the manuscript of the thesis.
