Acknowledgements

I am deeply grateful to Dr Rajen Mehrotra my guiding teacher, Mr Boman Moradian, Faculty and Dr. Vijaya Manerikar Director, Jamnalal Bajaj Institute of Management Studies for their guidance at all stages of my research work.

The facilities of many libraries such as Jamnalal Bajaj Institute of Management Studies, Entrepreneurship Development Institute of India, SNDT Women's University, Indian Merchants' Chamber F. E. Dinshaw Reference Library, Tata Institute of Social Sciences and Mumbai University were used for writing chapters 1, 2, and 3. In particular, I acknowledge the cooperation of Entrepreneurship Development Institute of India and the librarians and staff of these institutions.

I also acknowledge the critical/constructive comments of my colleagues and faculty members at the time of the presentation of my research findings in the Doctoral Seminar.

Getting information from women entrepreneurs and Entrepreneurship development experts on the reality of their experiences was difficult. Those included in this research cooperated, both in giving factual information and sharing their experiences. I am thankful to them.

Encouragement from friends and support from the family are necessary to complete any arduous task particularly research. Constant inspiration from Drs. Bharat and Coomi Singh, Sushma Mehrotra, Patricia Gokhale, Rajen and Ravindra Harshe, Apoorva Pandit and Geeta Gouri need to be acknowledged. I am indebted to all friends and well wishers who channelised my obsession for women entrepreneurship into this creative endeavour.
