ACKNOWLEDGEMENTS

Almighty Allah's blessings and guidance were the guiding force behind this work commencing and concluding. I bow my head in reverence to the almighty.

I deem it a privilege to begin this Acknowledgement by expressing my profound sense of gratitude to my revered Supervisor Dr. Asif Ali Syed for his guidance and stimulation throughout the study. His suggestions, research acumen, immense interest and affectionate behavior have been an inspiration for me. I am indebted to him for his careful and critical review without which this thesis would have been far less illuminating and readable.

I shall ever remain grateful to Prof Mohammad Khalid Azam, Dean Faculty of Management Studies & Research, Aligarh Muslim University, Aligarh for providing constant encouragement and lending all possible support in the completion of the thesis.

I would like to thank Prof. M. Israrul Haque, Chairman, Department of Business Administration, Aligarh Muslim University for his help and support.

I would also like to thank Prof. Javaid Akhtar, and Dr. Asif Akhtar, Assistant Professor, Department of Business Administration, Aligarh Muslim University for their support.

I would like to express a word of thanks to the chairman and dean office support staff of Department of Business Administration, AMU, for their support and assistance in the submission procedures.

This study could not have been possible without the support of my family. I am indebted to all my family members who have been a constant source of encouragement for me. I am indebted to my parents, especially my beloved mother who always encouraged me to go ahead with the completion of the thesis. I owe special thanks to my brother Javed Shamim Malik and who was more concerned than me about the work. I have no words to thank him for the help he extended in each phase of the study. I am thankful to my sister Iram Shamim Malik for her constant encouragement. Her support gave real pace to the study.
I am thankful to the Maulana Azad library, A.M.U Aligarh, Library at MDI Gurgaon, Seminar Library of Department of Business Administration A.M.U., Research Scholar Lab Computer centre Aligarh, Central Library IIT Delhi, which has helped me a lot while conducting literature Review.

I am thankful to Mr. Ahmad Faraz Khan Marketing Head ASPL for helping me in collection of data and for his encouragement.

I offer my thanks to Mrs. Shahla Jahan Chandel, a fellow research scholar at the Department of Business Administration, who constantly encouraged and supported me at every stage of thesis.

I am thankful to all the retail mall executives, sales force and, retail shoppers, without whose cooperation and support in allowing me to collect the data, from their malls and during their shopping, the study would not have seen the light of day. They are from the High Street Phoenix - Lower Parel, Mumbai, Ambience Mall- Gurgaon, Ambience Mall- Vasant Kunj, Atria Millennium Mall- Worli Mumbai, Oberoi Mall-Goregaon West, Mumbai, InOrbit Mall- Malad West, Mumbai, MGF Metropolitan-Gurgaon, Sahara Mall- Gurgaon, West Gate Mall- Rohini, Great India Place- Noida, Select City Walk- Saket, New Delhi.

I am also thankful to the managers of following stores:

I would also like to thank all the Research Scholars of the Department of Business Administration, Aligarh Muslim University, who helped me in my research, with their valuable support.

Last but not least I would like to express my sincere gratitude to anyone and everyone associated directly or indirectly with this work.

Naved Shamim Malik
