Acknowledgements

In the foremost I thank Almighty for providing me with caliber and courage, and for all the blessings He bestowed upon me, to carry out the work in hand, *al-Hamd li-Allah.*

I would like to express my sincere gratitude to my supervisor Dr. Iqbal Ur Rahman (Associate Professor) for providing me with excellent guidance and tactical advice in the various phases of the present work. His able guidance and critical approach always made me to face the rough waters with ease and get my boat sailing. I am indebted to him for showing keen interest and concern in the accomplishment of the present work.

I am extremely grateful to Prof. A. R. Vijapur, Chairman, Department of Political Science, Aligarh Muslim University, Aligarh for his intellectual support and encouragement.

I shall be failing in my duty if I do not record the encouragement and guidance that I received from Prof. G M Wani (UK), Dr. Arshi Khan and Dr. Iftikhar. I take this opportunity to express my sincere gratitude to all teachers for their valuable suggestions and non-teaching staff of my department for their support in developing healthy academic environment in the department.

I am grateful enough to U.G. C for granting me the fellowship that really helped me to devote my energies fully into research work. Moreover, I wish to acknowledge and give thanks to the staff of Maulana Azad Library; Seminar Library, Dept. of Political Science, Aligarh Muslim University, Aligarh; Allama Iqbal Library, University of Kashmir, Srinagar; JNU Library and Central Science Library, DU, New Delhi for helping me in getting the necessary material for my research work.

I must thank all my seniors and friends for making my thoughts mature and diversified through innumerable and countless versatile discussions, positive feedback, criticizing remarks and sometimes with a casual smile.
Finally, with a profound sense of gratitude and love I must express the kind and generous support that I have been receiving from my beloved parents whose blessings have remained a constant source of enlightenment in all my academic endeavors. I dedicate the present work to them. My special thanks are also due to my beloved brother, sisters and other relatives for their everlasting moral support, affection and patience without which it would have been impossible for me to accomplish the arduous task of completing this thesis.
