CONCEPT

Acknowledgement i-ii
Introduction i-xix

CHAPTER-I : OIL ECONOMY OF INDIA 1-57
- Oil
- Origin of Oil
- Discovery of Oil
- Importance & Uses of Oil
  - Estimated World's Crude Oil Reserves
  - Crude Oil scenario
  - Production
    - Regionwise world Petroleum Demand & Supply
  - Consumption
  - Discovery of Oil in India
  - Importance of Oil in the country
- Importance of Oil in Fuel economy
  - Deposits
  - External sources of Crude Oil
  - World trade & its contribution to foreign exchange
- Need of Oil Policy in India
  - Oil Policy before independence
  - Oil Policy after independence
- Exploration & Production
- Refining and Transportation
- Transportation Pipelines off-shore off-loading
- Marketing & distribution
- LPG distribution
- Environmental Protection Measures
- Nature of the problems faced by the industry

CHAPTER-II : MANPOWER PLANNING AND MANAGEMENT 58-108

- Workforce Structure in Refineries
- Manpower Planning
- Job analysis
- Job Description
- Job specification
- Work Measurement OR Time Study
- Manpower Planning in Refining industry
- Sources of Manpower Supply
- Internal Source of Recruitment
- Recruitment from outside
- Selection Procedure
- An Appraisal

CHAPTER-III : HUMAN RESOURCE DEVELOPMENT AND TRAINING PROGRAMME 109-174

- Training & Manpower Development
- Types of Training
- Orientation and Induction as a Part of Training
- Steps in Training
- Application of Learning Theory in Training
- Management Training & its techniques
- Training Needs in Refineries
- Training Programme in Oil Refineries
- Training Programmes in Refineries Operating under IOC
- Indian Oil Management Academy
- Training Methodology and Pedagogy
- Future Prospects
- Organizational Structure
- Training System in IOC
- Strength and Weakness of Training
- Action plan for improvement
- Improvement in Technical Training Infrastructure
- Manpower Development Policies & Programmes in CRL
- Conclusion

CHAPTER-IV : INDUSTRIAL RELATIONS 175-243
- Standing Orders
- Standing Orders in Refineries
- Grievance Procedure
- Grievance Procedure in Refineries
- Constitution of the Grievance Committee
- Trade Unionism And Collective Bargaining
- Labour Union in Refineries
- Causes of Multiplicity and Inter-Union Rivalry
- Collective Bargaining
- Collective Bargaining in Refineries
- Process of Collective Bargaining in Refineries
- Bargaining Operations in Practice
- Promotional Policies
- Logic Behind the Promotion
- Criteria for Promotion
- Joint Consultation
- Joint Consultation and Workers Participation Policy in Refineries
- Joint Management Council And Workers' Director Scheme
- An Assessment

CHAPTER V: WAGE AND SALARY ADMINISTRATION 244-329
- Concept of Wage and Salary
- Types of Wages
- Methods of Wage Payment
- Factors influencing the Determination of Wages
- Scientific Method of Wage Determination
- Wage Survey
- Job Evaluation
- Methods of Job Evaluations
- Wage Policy and Policy Problems
- Determination of Wage & Salary in Oil Refining Industry
- Dearness Allowance
- Variable Dearness Allowance
- Wage and Salary in CRL
- Dearness Allowance
- Fringe Benefits
- Concepts & Scope
- Fringe Benefits in IOC
- Daily Allowance
- Leave Travel Concession
- Incentive for Acquiring Additional Qualification
- Long Service Awards
- Leave
- Fringe Benefits in CRL
- An Assessment

CHAPTER-VI : LABOUR WELFARE AND EMPLOYEE SERVICES

- The Concept of Labour Welfare
- Scope of Labour Welfare Facilities
- Importance of Employee Services
- Objectives of Labour Welfare
- Government Policy on Labour Welfare
- Kinds of Employee Services & Labour Welfare Amenities
- Welfare Policies and Practices in Oil Industries
- General Welfare Facilities in Refineries
- Safety Measures and Accident Prevention
- Safety Provisions in Refineries
- Canteen Facility
- Canteen Facility in Refinery
- Voluntary Welfare Services
- Social Security Measures
- Social Security Measures in Refineries
- The Quantum of Gratuity payable in IOC
- Conclusions

CHAPTER-VII : JOB SATISFACTION 387-411

- A Conceptual Analysis of job-satisfaction
- Motivation Vs. Job Satisfaction
- Studies on Job Satisfaction
- Theories of Job Satisfaction
- An Assessment of the Theories
- Job Satisfaction and Performance
- Objective of the Present Study
- Scope of the Study
- Research Methodology
- Analysis and Interpretation
- Job Related Issues
- Social Relations
- Managerial and Supervisory Style
- Family Relations and Personal adjustment
- A Composite Picture
- Conclusions and suggestions

CONCLUSIONS 412-430
