ACKNOWLEDGEMENTS

I record my deep sense of gratitude to my teacher and supervisor, Sri M. D. Bamaiah, Lecturer, Department of Economics, Sri Krishnadevaraya University College, Anantapur for his excellent supervision and constant encouragement throughout the work. Without his inspiration and encouragement, this research work would not have been possible.

I am immensely grateful to Prof. N. Narayana, Chairman, Board of studies in Economics; Prof. C. Venkata Reddy, Head of the Department; Prof. K. Nageswara Rao; Dr. G. Satyanarayana, Reader and other members of Staff, Department of Economics, SK University College, Anantapur for their help and encouragement.

I am thankful to Dr. Mohamad Aktar, Reader, Department of Statistics, SK University College for his help in computing regression equations for my research work.

I express my deep sense of gratitude to my parents and my brothers, Sahadevudu, Nakuludu, and Sreeramulu for their moral support and encouragement in completing this dissertation.

Finally, I thank Mrs. Viji for taking pains in neatly typing the dissertation.

D. ADEPPA
