ACKNOWLEDGEMENTS

I wish to express my sincere gratitude to Dr. M. Narayanan, Reader, Aquatic Biodiversity Centre, Dept. of Zoology, St. Xavier’s College (Autonomous) Palyamkottai, for suggesting this research problem and his excellent guidance, advice, valuable comments, scientific freedom and magnanimous support during my tenure as a research scholar in this centre.

I record my sincere thanks to an eminent scientist, Dr.V.S. Somvanshi, Director General, Fishery Survey of India, Mumbai for extending all possible guidance and encouragement with erudition throughout the duration of this study.

No words will be sufficient to express my sincere thanks to Shri. Sebastin-De-Gonzaga, Dy. Director General (Engineering), Fishery Survey of India, Mumbai and also to Ministry of Food Processing Industries / Ministry of Agriculture, Government of India for granting study leave to do this research project. I will ever remain indebted for his valuable support and constant encouragements throughout the course of this study.

I wish to express my sincere thanks to the Principals, Rev. Fr.Dr.Francis M. Peter, S.J., Rev. Fr. Dr. Antony A. Pappuraj, S.J., and Rev.Fr.Dr. G. Packiaraj, S.J., St. Xavier’s College (Autonomous), Palayamkottai for providing institutional facilities and other support.

I wish to express my sincere gratitude to Prof. M. Thomas Punithan, Head of the Department of Zoology for extending the laboratory facilities and other support.

My sincere thanks and gratitude are due to Dr. V.S. Sampath Kumar, Professor and Head, Department of Statistics, Manonmaniam Sundaranar University, Tirunelveli for guiding statistically in analysing and computing the data.
I am indebted to Dr. S. Ajmalkhan, Reader, CAS in Marine Biology, Annamalai University, Parangipettai for critically going through the manuscript and offering valuable suggestions.

I should record my sincere thanks to my former senior colleague Dr.K.Sriraman, Department of Fisheries, Government of Tamil Nadu and also to Dr.N.Krishnaveni, Senior Lecturer, Department of Zoology, Avinashilingam College for Home Science and Higher Education for Women, Coimbatore, for their excellent and sincere encouragement throughout the study period.

I am very much grateful to Miss. A. Jeyaseeli, Research Scholar, Aquatic Biodiversity Centre, Dept. of Zoology, St. Xavier's College, Dr.P.Paulpandian, Fisheries Scientist and Dr. J. Jeyachandradhas, Sr. Scientific Assistant, Fishery Survey of India, Visakhapatnam for their immense help in many ways.

I also wish to extend my gratitude to Prof. Dr.V.Ramaiyan, CAS in Marine Biology, Parangipettai, Dr. D. Sudarson (Former Director General, FSI) Hon. Professor, Department of Zoology, Andhra University, Visakhapatnam, Dr. M.E. John, Zonal Director, FSI, Mumbai, Dr. H. Mohamed Kasim, Scientist, CMFRI, Kakinada, Dr. M.S.M. Sahubar Hussain, Professor and Head, Dept. of Zoology, V.O.C. College, Tuticorin, Prof. S. Madasamy, Dept. of Zoology, Pioneer Kumarasamy College, Nagercoil and Dr. N. Sukumaran, Professor and Head SPKCES, M.S.University, Alwarkurichi for their valuable suggestions and encouragements.

My sincere thanks and gratitude are due to Dr. M.A. Haniffa, Director, Centre for Aquaculture Research and Extension, Dr. Dunston P. Ambrose, D.Sc., Director, Entomology Research Centre, Dr. B. Victor, Director, Environmental Carcinogenesis Research centre, Dr. T.A.Sethuramalingam and Shri. P. Ramakrishnan and other staff members of department of Zoology, St. Xavier's College for providing laboratory facilities and encouragements.
I acknowledge my sincere thanks to S/Shri. M.K.R. Nair, Director, Integrated Fisheries Project, Kochi and M. Devaraj, Deputy Director in-charge, IFP for allowing to take photographs and Dr. D. Imamkhasim, Scientist, CIFT, Visakhapatnam for helping in Biochemical estimation.

It is my privilege to express my sincere thanks to my official scientific colleagues, S/ Shri K. Gopalakrishnan, A. Anrose, P. Sivaraj, N. Jagannadh, T. Subramanian, M. Vinodkumar, P. K. Bhar, Neelakandan and S. A. Rajkumar and also to my academic colleagues S/ Shri. S. Ramachandran, K. Marimuthu, A. Arulraj, A. Ibrahim, St. Xavier's College and P. Mariappan, Sr. Research Fellow, Bharathidhasan University, Trichy.

My sincere thanks are also due to Miss. Anantha laxmi and S/ Shri. L. Kesavarao, Superintendent, Fishery Survey of India, Visakhapatnam for the Secretarial assistance and V. Velmurugan, P. Selvan, VES Computers, Tuticorin for their excellent performance and kind cooperation in processing the data and other documentation.

Lastly my mother, Smt. D.L. Mariammal, wife, Smt. Dr. R. Rajini, daughter, R. Snehalakshmi and sister Smt. J. Seethalakshmi put up with many inconveniences on account of my academic pursuit. I will ever remain indebted to them.
