ACKNOWLEDGEMENT

I consider this as a privilege to extend my deep sense of gratitude to my guide Dr. S. C. Das, 2nd Biotechnologist, Department of Biotechnology, Tocklai Experimental station (TES), Jorhat and co-guide Dr. G. Bhowmik, Prof. and Head, Department of Biotechnology, Guwahati University, Guwahati for accepting me as a Ph. D. student and extending constant encouragement and guidance throughout the period of my research work.

I take this opportunity to express my heartfelt thanks to Dr. I. D. Singh, Incharge, Botanist, Dr. T. S. Barman, Physiologist, Dr. B. Bera, Assistant Botanist, Dr. B. K. Konwar, Biotechnologist, Dr. A. K. Handique, Dr. Uttam Baruah, Dr. Nazreena Ahmed, Mr. Sushil Bordoloi, Mr. Ranjan Das, Mr. Biswajit Bordoloi, Mrs Anu Baruah, Mr. Kanuram and many others of Biotechnology Department, TES, Jorhat, for their help and advice all throughout the period of my work.

I have profited greatly by the suggestions and support of my fellow friends Monoranjan, Satyabrata, Mustaq, Himadri, Hemen and Nizora who also pursued their research at the same period in Tocklai Experimental Station.

I wish to express that in many ways I am thankful to Mrs. R.M. Bhuyan, Secretary to Director, TES, for her concern, encouragement and help.

Dr. Usha George, Soil Microbiologist, TES, has been a great source of encouragement and support for me during the initial period of uncertainty in the progress of my work.

I am especially thankful to Mr. Shyamal Chakraborty, Librarian, Mrs. Ivy Phukan, Pronoy B. Gohain, Biren Boruah, Prasanta Dutta, Amrit Dutta, Satyaranjan Sarma and many others from TES who have directly or indirectly extended their support to me towards my endeavour.
I gratefully acknowledge the concern and support of my teachers from Department of Biotechnology, Gauhati University, and my friends from Gauhati University. I acknowledge with thanks the facilities extended to me in the Department of Biotechnology and the Library, Gauhati University for carrying out part of my research work.

I owe special thanks and gratitude to my two sisters, Mrs. Manju B. Gohain and Jayati who stood by me at all the time during the period of my research work. My brother-in-law, Mr. Utpal B. Gohain, his parents, sister and others in the family deserves my gratitude for their valuable contribution towards my work, especially during the writing phase. I also thank my Uncle, Mr. M. R. Saha and his family members for their support towards me. Special thanks are due to Mrs. Basanti Rana and her family for her support in many ways.

I fondly remember my friends in Jorhat, Arati, Shankar, Amal, Robi, Jeevan, Poban, Tonmoy, Rajib, Lotica, Meena, Seema, Dipu and many others for their friendly advises and support.

The help and support I received from Dr. Binoy Roy, Bhashkar, Ajit and Surajit from Assam Agriculture University, Jorhat, towards computation of the thesis is duly acknowledged. Mr. Vinod Sahni, Sundrap Printers, New Delhi, deserves my thanks for the photo-processing.

In many ways I will remain indebted to Mrs. Sudhakar Rao and her family for all their good wishes towards the completion and submission of this thesis.

I wish to put forth ineffable heartfelt thanks to Sangeeta, Rajini, Manju and Pallavi, who have generously rendered their manifold help in various spheres during course of manuscript preparation.

Lastly but not the least I extend my thanks to the Director, TES, Jorhat for awarding me the TRA fellowship for carrying out my research work.

Dated, Jorhat
