ACKNOWLEDGEMENTS

It is a great pleasure for me to express my thanks to all at home and abroad who have rendered their valuable assistance during the course of my research work.

To Professor R.R. Mishra, Head, Department of Botany, Dean, School of Life Sciences, North-Eastern Hill University, Shillong, I take this opportunity to express my heartfelt gratitude to you for your valuable guidance in conducting my experiments, supervising my work and helping me in the completion of my thesis. It was your moral and inspiring encouragement which helped me in getting over the difficulties during the course of this investigation.

To Dr. Alex Shigo, Dr. George Hepting, Dr. R.L. Anderson, United States Department of Agriculture, Forest Service, U.S.A, Dr. Martin Johansson, Swedish University of Agricultural Sciences, Uppsala, Sweden, Dr. C. Prior, Lowlands Agricultural Experiment Station, Keravat, Papua New Guinea, Dr. A.H. Khan, University of Agriculture, Faisalabad, Pakistan, James Trappe, Oregon State University, Oregon, U.S.A, Dr. P.S. Rehill and Mr. Sujan Singh, F.R.I, Dehra Dun, the authorities of the United States Department of Agriculture, Canadian Forest Service and Agriculture Canada, I gratefully acknowledge your cordial help and suggestions at various occasions.
To Mr. K. Haridasan, Systematic Botanist, Forest Department, Government of Arunachal Pradesh, I acknowledge your help for identifying the host plants.

To Professor R.G. Michael, Indiana University, Bloomington, Indiana, U.S.A, Professor M.K. Khare, Head, Department of Zoology, North-Eastern Hill University, and Dr. B.K. Dutta, Lecturer, Department of Botany, North-Eastern Hill University, I express my thanks to you for your encouragement to overcome the difficulties during the course of this work.

To Dr. Anthony Johnston, Director, C.M.I., Kew, U.K., Dr. A. Sivanesan, Dr. E. Punithalingam, Dr. J.E.M. Mordue, C.M.I, Kew, U.K. and Dr. P. Ramachar, Nizam College, Osmania University, Hyderabad, I acknowledge your help for identifying the fungi.

To Mr. Y. Kumar, Mr. Anupam Roy, Mr. N. Goswami and Mr. Besterwell Kharbuli, Research Scholars, School of Life Sciences, North-Eastern Hill University, staff members of the Forest Department, Government of Meghalaya, and the local people around the proposed Balphakram Wild-Life Sanctuary, I thank you all for extending your help during my field trip in Balphakram and Pong Tung forest.

To Mr. B. Das, I acknowledge your help in photography and Mr. B.S. Mipun, I thank you for your helping hand in
drawings.

To Mr. Godfrey, I thank you very much for the trouble you have kindly taken for typing the thesis. Without your constant help the thesis would not have been completed in time, and to Mrs. Lucy Godfrey for your kind hospitality on the days of my stay in your house during the course of typing my thesis.

To the authorities of F.R.I, Dehra Dun and Forest Department, Government of Meghalaya, I express my indebtedness to you for financial aid.

To all the members of my family, I thank you for your encouragement and warmth bestowed upon me during my research work.

To friends of N.E.H.U, my thanks are due to you all for the varied help and for cheering me up during my stay in the campus.
