CONTENTS

List of Phonetic Symbols and Signs viii

CHAPTER I INTRODUCTION
1.1 A Survey of Contrastive Linguistics Literature 1
1.2 Contrastive Analysis: It's Basic Assumptions 7
1.3 A Critique of Contrastive Analysis 12
1.4 Importance of English in India with Special Reference to North-East and Manipur 26
1.5 Need for Contrastive Studies in India 31
1.6 The Present Study 33
1.7 Languages Contrasted 34
1.8 Manipuri (Meitei Lon) 34

Fig.1.1 Schematic chart of Sino-Tibetan groups (from Benedict, p.6) 37

1.9 Received Pronunciation of English (R.P.) 39
1.10 Scheme of the Present Study 43
1.11 Methodology 46

CHAPTER II PHONOLOGY OF MANIPURI (SEGMENTALS)
2.1 Preview 47
2.2 Description and Classification of Phonemes 50
2.3 Consonantal Phonemes
2.4 Subgrouping of Consonantal Phonemes
Chart 2.1 Indigenous Consonantal Phonemes
2.2 Borrowed Consonantal Phonemes
2.3 Consonal Phonemes of Manipuri
2.5 Establishment of Contrast for Consonantal Phonemes
2.6 Description of Consonants
2.6.3.2 Plosives
2.7 Affricates
2.8 Nasals
2.9 Fricatives
2.10 Lateral
2.11 Trill
2.12 Semi-Vowel
2.13 Vowel Phonemes

Fig. 2.1 Vowel Diagram showing the Manipuri Vowels

2.13.1 Establishment of Contrast for Vowel Phonemes
2.13.2 General Allophonic Features of Vowel Phonemes
2.14 Detailed Description of Vowel Phonemes
4.5 General Allophonic Features

4.6 Detailed Description of Consonantal Phonemes
   A. Plosives
   B. Affricates
   C. Fricatives
   D. Nasals
   E. Lateral
   F. Frictionless Continuant (Approximant)
   G. Semi-Vowels

Vowel Phonemes and Their Classification

Fig. 4.1 Vowel Diagram showing the RP Vowels

4.8 Description of Vowel Phonemes

Fig. 4.2 Vowel Diagram showing RP Diphthongal Glides

4.8.1 Establishment of Contrast for Vowel Phonemes

4.8.2 General Phonetic Assessment of Vowel Quality

2.8.3 Detailed Description of Vowel Phonemes
   A. Pure Vowels
   B. Diphthongs

CHAPTER V PHONOLOGY OF ENGLISH (SUPRASEGMENTALS)

5.1 Preview

5.2 Word-Stress in English
5.3 Importance of Word Stress 253
5.4 Stress Phonemes in English 254
5.5 Placement of Stress 263
5.6 Intonation 265
5.7 English Intonation 266
5.8 Syllable Structure 275

Table 5.1 Grammatical and Attitudinal Functions 276

5.9 Initial Consonant Clusters 277

Table 5.2 Word-Initial CCV- 278
Table 5.3 Word-Initial CCCV- 282

Chart 5.1 Initial and Final Two-Consonant Clusters of English 283

CHAPTER VI PHONOLOGICAL SYSTEMS IN CONFLICT

6.1 Preview 287
6.2 Phonemes of English and Manipuri 288

Table 6.1 Occurrence of Phonemes in Manipuri and English 290
Table 6.2 Number of Phonemes in Manipuri and English 291
Table 6.3 A Statistical Account of Phonemes (According to the Manner of Articulation) 292
6.3 Consonant Systems of Manipuri and English

Chart 6.1 Consonants of Manipuri and English

Chart 6.2 Comparison of Choice Type

6.4 Comparison of Manipuri and English Phonological Systems

Table 6.4 Occurrence of Consonants in Manipuri and English

6.5 Consonants Compared

Chart 6.3 Comparison of the Consonants of English and Manipuri

6.6 Vowel Systems of English and Manipuri

Table 6.5 Number of Vowel Phonemes in Manipuri and English

6.7 Comparison of English and Manipuri Pure Vowels

Table 6.6 Occurrence of Pure Vowels in Manipuri and English

Chart 6.4 Comparison of the Vowels of English and Manipuri

6.8 Diphthongs (Diphthongal Glide)

6.9 Syllable Structure of English and Manipuri
CHAPTER VII PEDAGOGICAL PROBLEMS

7.1 Preview 348
7.2 Problems Related to Consonantal Phonemes 349
7.3 Problems Related to Vowel Phonemes 363
7.4 Problems Related to Consonant Clusters 370
7.5 Problems Related to Word-Stress 375
7.6 Problems Related to Intonation
