I am deeply indebted to my Supervising Teacher, Dr. N.D. Joshi, Guest Professor, School of Pedagogical Sciences, Mahatma Gandhi University, Kottayam, for his valuable guidance and encouragement for the conduct of this investigation. I feel that his sincere and dedicated involvement throughout the course of this study, is the major power behind the completion of this work.

I am grateful to Prof. (Dr.) P.M. Jalal, Director, School of Pedagogical Sciences, Mahatma Gandhi University, for providing all the facilities needed for completing my work. I owe my gratitude to Dr. T.V. Thulaseedharan, Reader, School of Pedagogical Sciences, Mahatma Gandhi University and to all other teaching staff, for giving timely help and encouragement.

I am very thankful to Dr. H. Sam Sananda Raj, Professor, Department of Psychology, University of Kerala, Kariavattom for his valuable suggestions, especially in the formulation of the Hypothetical Model of Programmes for ECE Centres in Kerala, which was taken as the basis for the investigation. I express my gratitude to Sri. Anilkumar, A.T., Librarian, and all other office staff of the School of Pedagogical Sciences, Mahatma Gandhi University, for the help extended to me. I am grateful to all the experts of ECE, who helped me in the construction and standardization of the tool for data collection. I express my thanks to the teachers of the ECE centres, for their kind co-operation and participation in data collection. My thanks are also due to my friends and colleagues who helped a lot in my work.

I am also thankful to Mr. S. Mohanan, and his staff, Manoj Photostat and Computers, Kariavattom, Thiruvananthapuram for executing computer setting, photocopying and other related works neatly and promptly. I remember with gratitude the patience and encouragement showed by all the members of my family at every crucial stage of this work.

I thank GOD for everything.

C.C. Kurian.
