In preparing the present dissertation entitled: "Epistemology of the Advaita-Vedānta with reference to the Vedānta-Paribhāsa", the following mode of presentation is followed:

(i) The original Sanskrit words are used as they are in the body of the work. The equivalent English words of such words are given within brackets in their first occurrence.

(ii) The various names of the treatises are underlined in the body of the work.

(iii) Original Sanskrit quotations are given in the footnotes at the end of each page of the dissertation.

(iv) Reference of the works in the footnotes are shown in abbreviated form. The list of abbreviations is given before the content-page of the work.

(v) The Bibliography is given at the end of the work.
