Acknowledgement

This study is the result of my research work carried out during the period of 2000 - 2007 under the guidance of Dr. (Mrs.) Jayasree Borah, Department of Geography, Cotton College, Guwahati. I express my sincere gratitude to Madam Jayasree Borah for her inspiring guidance, valuable suggestions and continuous help throughout the working period. I am also grateful to professor M. Taher, former Head, Department of Geography, Gauhati University who offered valuable suggestions in completing the work. I express my thanks to Dr. Bhaben Kalita, Head, Department of Geography, Cotton College and other faculty members of the Department for their keen interest in my work. I am highly grateful to Dr. Ratneswar Barman, Dr. A. K. Bhagabati and other faculty members of Geography Department, Gauhati University for their help and advice in completing this work.

I am also indebted to Sir Dulal Chandra Mahanta, Principal, Puthimari College for kind approval, encouragement and help during the period of my research work.

I take this opportunity to thank Mr. Deba Kumar Kalita (ACS) former Circle Officer, Boko Revenue Circle, Boko and Mr. Ishaque Ali, Lecturer, Dept. of Geography, D.K. College Mirza, for their valuable information about the problem and the study region.

Finally, I am grateful to my colleagues of Puthimari College and my family members for their constant inspiration and support in many ways throughout the period of my study.
