ACKNOWLEDGEMENTS

It is Almighty’s blessings that I am able to complete my duties successfully hitherto and present this piece of work for which, I am eternally indebted.

It is indeed a great privilege for me to express my deep sense of gratitude and utmost regard to my research supervisor Prof. L.K. Ravindranath, Department of chemistry, Sri Krishnadevaraya University, Anantapur, Andhra Pradesh for suggesting the problem for this invaluable investigation.

I am pleased to place my profound etiquette to M/s. Dr. Reddy’s Laboratories Ltd., Hyderabad, Andhra Pradesh for providing gist of drug products, HPLC, Dissolution and necessary facilities to carry out the research work.

I express my sincere thanks to Prof. K. Hussain Reddy, Head of the department of chemistry, Sri Krishna Devaraya University, Anantapur and Prof. V. Suryanarayana Rao, Chairman, Board of Studies, Department of Chemistry, Sri Krishnadevaraya University, Anantapur, Andhra Pradesh.

I deem it a pleasure to express my grateful thanks to all other staff of the department of Chemistry Sri Krishnadevaraya University, Anantapur, Andhra Pradesh for their help and encouragement in this endeavor.

I deem it a pleasure to express my grateful thanks to Kalyan Suguru, Nandan Srinivasan, Subhankar, B. Nagaraju, Manager; K. Chandra Sekhar, Director and Vijayabharathi, Manager; Department of Global Oncology Analytical Research and Development from Dr.Reddy’s Laboratories Ltd., Hyderabad, Andhra Pradesh for their help and encouragement in this endeavor.

I deem it a pleasure to express my grateful thanks to Dr. Kanumala .G, Sai Advantiem, General Manager; Department of Quality Control, Hyderabad, Andhra Pradesh and Y. Suresh, General Manager Matrix Laboratories, Hyderabad, Andhra Pradesh for their help and encouragement in my endeavor.

I accolade my highest respect to my parents Smt Y. Lakshmi Devi and Y.G. Veerareddy for their blessings, moral support, constant encouragement and dedicated efforts to educate me to this level. It is fortunate to have a friendly caring and lovable brother Y. Somi Reddy, sisters D. Venkata Lakshmi and D. Naga Lakshmi, K. Madhavi, V. Venkata Reddy and all my family members without whose support I would not have reached to this stage.

Sincere thanks to K.T.S.KUMAR for computerizing this thesis with meticulous care.

Last but not least, I would like to record my sincere thanks to all those who rendered their help directly or indirectly in shaping this thesis.

Y.RAMA CHANDRA REDDY
