ACKNOWLEDGEMENT

I take this opportunity to express my heartfelt indebtedness to my reverend Professor Dr. N. Das, M.Sc. (Cal), Ph.D. (London); Professor and Head of the Department of Agricultural Botany, Gauhati University for his guidance in the preparation of this thesis without which it would not have been possible to bring out this thesis and to carry out research on the problem suggested by him.

Lastly I acknowledge my thanks to my class friends for their help in my thesis work.
