ACKNOWLEDGEMENTS

It gives me an immense pleasure to express my deep sense of gratitude to my research supervisor Dr. B. Ravi Prasad Rao, Lecturer, Department of Botany for his unstinted help, constant encouragement, constructive criticism and inspiring guidance in bringing out this piece of work. I would be ever grateful to him for instilling in me the aptitude for research.

I am grateful to Prof. T.Pullaiah, former Head & Board of Studies Chairman, Dr. R.R.Venkata Raju, Head, Department of Botany and Dr. C.Sudhakar, Lecturer, Department of Botany for providing research facilities. I am also thankful to Prof. C.G.Prakasa Rao, former BOS Chairman for encouragement.

I never forget the help rendered by Mr. V. Sreenivasulu, research scholar in Botany. I extend my sincere thanks to him. I also like to unveil my special thanks to all my research colleagues especially Mrs. Indira, Ms. Sandhya Rani, Ms. Sunitha and Mr. Sree Rama Murthy for their timely help.

I am deeply indebted to my parents, sisters and brother who laid an encouraging path to my research work. I am immensely thankful to my in-laws for their constant moral support and encouragement.

Without understanding and support from my husband, J.J.R. Chaitanya, Lecturer in Mathematics, I would never have been able to complete the present work. I would be ever grateful to him. I express my feelings of love and affection to my kid, Abhi who allowed me to work.

My sincere appreciation is also due to Surya Internet, Hyderabad and Ram_Sun Computer World, Anantapur.

I extend my thanks to Mr.Chandrayudu, field assistant who helped me in field work.
