ACKNOWLEDGMENTS

I bend over in veneration to the Almighty God whose benevolent blessing gave me the required enthusiasm for completion of this research work.

I wish to express my heartfelt gratitude to my esteemed supervisor Dr. Syed Waseem Ahmad Ashraf, Associate Professor, Department of Geography, Aligarh Muslim University, Aligarh, under whose painstaking guidance and kind supervision, this research work was carried out. His patient discourses and discussion on the research problem and analysis has been the guiding light in forming a correct approach to the subject. His inspiration and encouragement motivated me to complete this work.

I express my heartfelt thanks to Prof. Shamshul Haque Siddqui, Chairman and Prof. Hifzur-Rahman, Ex-Chairman, Department of Geography, Aligarh Muslim University, Aligarh for providing all the necessary facilities in the department to carry out the work.

I wish to express my deep sense of gratitude to Prof. Farasat Ali Siddqui, Ex-Chairman, Department of Geography, Aligarh Muslim University, Aligarh for guidance, suggestion and encouragement throughout my research work. I am also grateful to Prof. Abdul Munir, inspite of his busy schedule he has been benevolent enough to provide me time for his critical suggestions. I am also thankful to my teacher, particularly, Prof. Ali Mohammad, Prof. Salahuddin Qureshi, Prof. Ateeque Ahmad, Prof. Shahfazal and Dr. Najmul Islam Hashmi, Associate Professor for their valuable suggestions. I take this opportunity to express my sincere gratitude to all teachers of the department for their support and for developing healthy academic environment in the department.

I extend my sincere thanks to the authorities and librarian of Maulana Azad library, Aligarh Muslim University, Aligarh, Jawaharlal Nehru University, New Delhi, Central Secretariat library, New Delhi and Census library, New Delhi for helping me in getting the necessary materials for my research work. I have sincere thanks to Research Seminar Librarian of the Department of Geography, A.M.U., Aligarh specially Mr. Najmuuddin Khan, Mrs. Talat Kaneez,
Ms Shahin Zahid and Cartographer Mr. Munney Khan and Mr. Javed for their precious and valuable information and support. I would like to express my sincere thanks to Registrar General, census of India (New Delhi), Vital Statistical Offices (New Delhi), Health Ministry of India (New Delhi), Health Services Department (Lucknow), District Statistical Officials for providing me necessary data and information. Moreover I am also grateful enough to University Grants Comission (UGC) and Ministry of Minority for providing me the study grant.

I am very thankful to my seniors, Dr. Ayaz Ahmad, Dr. Adnan Shakeel, Dr. Nazmul Hussain, Dr. Ayesha Jamal, Dr. Naheen, Dr. Lubna, Dr. Menika, Dr. Deepika, Dr. Mehvish, Dr. Suman and Dr. Shabnam Khan for solving the problem during data analysis and calculations. I feel pleasure to express my appreciation to my friend Mr. Sabbir Ahmad for his help, suggestion and cooperation throughout the study.

It is quite improper not to recall the active help and encouragement of some of my friends as Gomati, Annu, Nikhat, Zeba, Subia, Gazal, Sahila, Nasrin, Akram, Tarique, Munazir and Naseem for their moral support.

I am highly grateful to my father Mr. Rjendra Pal Singh Rawal and my mother Mrs. Satveer Kaur Rawal, who always remind a great source of inspiration for their encouragement throughout my academic pursuit without their love, constant inspiration and blessing I simply could not achieve this target. In the last but not least I would place a record of deep respect and gratitude to all my family members especially my brother Manjit Singh Rawal, sister-in-law Mandip Kaur Rawal, elder sisters; Iqbal Kaur Rawal and Manpreet Kaur Rawal, whose cooperation and continues encouragement made my task easier. My beloved nephew Prabhjít Singh Rawal and niece Ravjit Kaur Rawal and Nandani Singh need to be acknowledged for their pristine love.
