ACKNOWLEDGEMENTS

It gives me immense pleasure to express my deep sense of gratitude to my beloved research supervisor Dr. K. Satyanarayana Reddy, Associate professor in Economics, S.K. University, Anantapur for his valuable guidance, unstinted help and benevolent attitude. His meanwhile suggestions and critical acumen can be seal all through this thesis. This work would not successfully completed without his constant encouragement. I would be ever grateful to him for his help at every stage in the course of this work. My indebtedness to him cannot be adequately expressed in term’s words.

I am thankful to Prof. G. Satyanarayana, chairman, Board of studies in Economics, Dr. K. Dasaratharamaiah, Head, Department of Economics and other teaching and non-teaching staff members in the department for their co-operation during the course of my research study.

I am thankful to the following departments for their co-operation in permitting me to have an access to the relevant records in their possession.

- Sri Venkateswara University Library, Tirupati.
- Office of the statistical Officer, Anantapur.
- Office of the labour Officer, Anantapur.

If I do not mention my indebtedness to my family members and my brother-in-law, Y. Gangadhar Reddy for their support and encouragement throughout the course of this work, I will be failing to my duty.

I am very thankful to all of my friends and research colleagues, who continued their support and co-operation at different stages of the present research work. At the same time I am thankful to the authorities of
S.K. University, Anantapur, for providing the necessary facilities to pursue my research work.

Finally, I thank one and all who helped me directly and indirectly in the completion of this work.

(S. VENKATANARAYANA REDDY.)
