ACKNOWLEDGEMENT

I express my deep feeling of gratitude to my guide Dr. Vimal G. Adhau, Ex. Reader, Matoshree Vimalabai Deshmukh Mahavidyalaya, Amravati, for her valuable and dynamic guidance, suggestions and encouragement during my entire course of study.

I am especially thankful to Dr. H.T. Thorat, Director GVISH, Amravati for providing infrastructure facilities and eternal co-operation throughout the period of my investigation.

I am especially thankful to Dr. Maya V. Shiralkar, Head, Department of Home-Science, GVISH, Amravati for her never-ending and affectionate help and encouraging guidance throughout the study.

I feel inadequacy of my diction while expressing my immense gratitude to Dr. Prabha Bhogaonkar, Head, Department of Botany, GVISH, Amravati, whose profound knowledge and experience in the field of Taxonomy upgraded my work in scientific terms.

I am immensely indebted to Dr. Gharia, Director, ATIRA, Ahmedabad for availing me the facilities needed during my research.

I am also indebted to textile persons Prof. P. Jaruhar, Head, Textile Engineering, Anuradha Engineering College, Chikhali; Abhijeet Deshmukh then working with Arvind Mills, Ahmedabad, for their knowledge and help during my interaction with them in the process of my research.

I am utterly grateful to Mr. Mahmoodal Hasan, Deputy Director and Mr. V.H. Kumar of Weaver’s Service Centre, Nagpur for their kind help and co-operation in my work.

I express my sincere thanks to Dr. Ela Dedhia, Head, Department of Textiles and Clothing, Nirmala Niketan, Mumbai for providing me the facility of library and co-operation at short notice.
I acknowledge my sincere thanks to Dr. V.R. Deshmukh and Dr. Sanyogita Deshmukh for their valuable support, guidance and critic suggestions during my research.

A profound debt of gratitude I owe to Dr. K.N. Wadodkar, Head, Department of Chemistry, GVISH, Amravati. Dr. Asha Mane, Dean, Faculty of Home-Science and Dr. V.S Sapkal, Head, Chemical Technology, Amravati University, Amravati, Dr. A.G. Deshmukh, Head, Department of Mathematics, GVISH, Amravati, Dr. V.R. Ghurde and Dr. Praveen Raghuvanshi, Head, Department of Chemistry, Vidyabharati Mahavidyalaya, Karanja, for their valuable suggestions throughout the study.

I am highly grateful to Dr. Kamal Ingle, Dr. S.N. Malode, Dr. D.D. Wakode and other staff members of the Botany Department, GVISH, Amravati. for their help and co-operation.

My sincere thanks are due, to my Departmental colleagues, Dr. Asha Deoskar, Smt. Malati Gaikawad, Smt. K.V. Deogaonkar for their co-operation and help in the matter needed.

I would like to record appreciation to my friend Mrs. Alka Bhise, who has provided me both help and inspiration during the course.

I express my sincere thanks to Mr. Harish Bherde for his pain taking efforts and efficiency in preparation of this manuscript and graphics.

Finally I would like to express my heartiest gratitude to my in-laws, parents not only encouraging me but in spite of their old age, ably supporting the family especially my kids.

The words at my command are inadequate to convey my deep sense of appreciation, to my husband Sanjay, children Siya and Indrajeet for the forbearance evinced by them and the love and strength of endurance provided during my research endeavour.

Date: 25-6-03
Amravati.

(Anjali S. Deshmukh)
