LIST OF TABLES

3.1 List of problems identified in previous research

3.2 List of problems gathered from field functionaries

3.3 List of problems pointed out by the project officers

3.4 Design Vs Data (Data collection sources)

4.1.2.1 to 4.1.6.33 Joint frequency tables

4.1.7 Severity Levels of problems-Area I (Variables wise comparison)

4.1.8 Severity Levels of problems-Area II (Variables wise comparison)

4.1.9 Severity Levels of problems-Area III (Variables wise comparison)

4.1.10 Severity Levels of problems-Area IV (Variables wise comparison)

4.1.11 Severity Levels of problems-Area V (Variables wise comparison)

4.6.1 Performance of centers on instructor characteristics

4.6.2 Location of the NFE centers in 3 categories of retention power

4.6.3 Variable wise distribution of centers in performance levels (A,B & C)

4.6.4 Level of instructions in the NFE centers

4.6.5 Maintenance of registers

4.6.6 Capacity of mobilizing local resources

4.6.7 Maintenance of progress reports up to date

4.6.8 Performance of motivational activities
4.6.9 Relationship of project organization to individual institutions

4.6.10 (a) Performance of the case study centers (Different categories)
   (b) Govt. Vs NGO NFE centers performance
   (c) Urban Vs Rural NFE centers performance

4.6.11 Overall performance of observed NFE centers

4.7.1 Strengths and weaknesses of variable groups of NFE centers

4.7.2 Problem Performance Association (Data convergence)

LIST OF FIGURES

2.1 Administrative structure of NFE
2.2 Organizational structure of NFE
2.3 Organogram NFE in A.P
3.1 Distribution of Sample
4.1 Severity levels of problems (in percentages) Area-I
4.2 Severity levels of problems (in percentages) Area-II
4.3 Severity levels of problems (in percentages) Area-III
4.4 Severity levels of problems (in percentages) Area-IV
4.5 Severity levels of problems (in percentages) Area-V
