ACKNOWLEDGEMENTS

A major research project like this is never the work of anyone alone. The contributions of many different people, in their different ways, have made this possible. I would like to extend my appreciation especially to the following.

This thesis is submitted for the requirements for obtaining the degree of Doctor Of Philosophy of Jawaharlal Nehru Technological University Anantapur (JNTUA), Anantapur based on the studies carried out in the Department of studies and research in Physics, Prof. C.N.R. Rao Center for advanced materials, Tumkur University, Tumkur; Department of Chemistry, MSRIT Bangalore, and Indian Institute of Science (IISc) Bangalore.

I take this opportunity to express my sincere gratitude and deep sense of indebtedness towards my Ph.D. supervisor Dr. H. Nagabhushana, Associate Professor, Department of studies and research in Physics, Tumkur University, Tumkur for his invaluable guidance and constant encouragement.

I am extremely greatful to Dr. B. M. Nagabhushana, Department of Chemistry, MSRIT, Bangalore for invaluable guidance, continuous encouragement, suggestion and limitless patience shown towards me during the course of this investigation. I owe my gratitude to late Sri M.S. Ramaiah, founder of Gokula Education trust, for providing a shelter for research aspirants like me. Also, I
am thankful to Dr. D.N. Rao, HOD of Chemistry, MSRIT for extending laboratory facility. Also, I express my heartfelt thanks to Mr. R. Harikrishna, Asst. Prof. Department of Chemistry, MSRIT for his constant help in sample preparation.

I express my heartful thanks to Dr. K.B. Chandrashekar, Director R&D, JNTUA; Prof. K. Thyagarajan, HOD of Physics, JNTUA, college of engineering, Pulivendula and Dr. R. Padmasuvarna, HOD of Physics, JNTUA, college of engineering, Anantpur for their support and encouragement.

I owe my gratitude to Rajya Vokkaligara Sangha, Bangalore for permitting and encouraging me to take up the research work. I am thankful to our former Principal Prof. B.S Sujatha, V. V. Pura College of Science, Bangalore for encouraging me to involve in this research work.

I express my profound sincere gratitude to Dr. K. Appaji Gowda, Rtd. Prof. Department of Physics, Bangalore University, Bangalore, for his constant guidance. I am very much grateful to Dr. Chikkahanumantharayappa, Prof. of Physics, Vivekananda Degree College, Bangalore, without him I would not have step into the field of research.

I would like to extend my gratitude to Dr. C. Shivakumara, Principal research scientist, Solid State and Structural Chemistry
Unit (SSCU), Indian Institute of Science (IISc), Bangalore, for PXRD, Rietveld analysis and valuable guidance.

I am thankful to Dr. R. P. Sreekanth Chakradhar, Scientist, National Aerospace Laboratory (NAL), Bangalore for EPR studies.

I am sincerely thankful to Dr. S. C. Prashantha, HOD, Department of Physics, East West Institute of Technology for the help extended in guiding the thesis writing and publications.

I express my profound gratitude to Sri Daruka Prasad, Asst. Prof., Dept. of Physics, BMSIT, Avalahalli Bangalore for his guidance and constant help in data analysis.

I am very much indebted to my colleagues Mr. Anandkumar, Department of Electronics and Dr. Gurudev, Department of Botany, V.V Pura College of Science for their help rendered with patience to get through my research work.

My sincere thanks to Dr. Y. S. Bhat, HOD, Department of Chemistry, BIT Bangalore for his suggestion and help extended in characterization.

I would like to thank Dr. Jagannatha Reddy, Mr. Jahagirdar, Dr.N.Dhananjaya, Dr.H.B.Premkumar, Dr.C.Manjunatha, Mr.Ramachandra Naik, Mr. M. Chandrashekhar, Mr. D.M. Jnaneshwara, Mr. P.B. Devaraj, Mr. N.B. Gopal Reddy, Mr. S. V. Ravindra, Mr. Brunesh and Mr. B.M. Manohara, for their support during the course of the studies.
I also wish to express my thanks to Dr. D. Suresh, Dr. D.V. Sunitha, Mr. Malleshappa, Mr. B.S. Ravikumar, Mrs. C.J. Shilpa, Ms. D. L. Monika and Mr. Danith of Tumkur University for their help rendered in PXRD, SEM and PL studies.

I am ever grateful to my parents Smt. Seethamma and Sri M.B Marigowda a freedom fighter for their blessings. My special thanks to my wife Smt. H. S. Ambika, my children Mr. S. Mithun and Mr. S. Kishore Kumar for their understanding, patience and support during the course of my research work.

M. Shivaram
