ACKNOWLEDGEMENT

I wish to record my profound indebtedness to all those who have contributed directly or indirectly to make this study a success.

I would like to express my sincere thanks to Dr. Thara K Simon, selection grade lecturer in Botany, Union Christian College, Aluva for her inspiring guidance and encouragement throughout the course of this work.

I express my heartfelt gratitude to the Management and Principal, S. N. M. College, Maliankara, for granting me leave under the Faculty Improvement Programme; Prof. Vanaja K. K., Head of the department and to all my colleagues in the Department of Botany, for their whole hearted co-operation and encouragement.

I extend my deep gratitude to the Principal Dr. Vargheese John; Prof. Santha Mathew, Dr. Joyce C Mathew, Dr. Mani Varghese and the faculty of the Research Department of Botany, U. C. College, Aluva.

I am extremely grateful to Dr. Jolly C. I., Amala Cancer Research Center, Thrissur for the inspiring guidance in completing the phytochemical part of the work.

I am grateful to Dr. Ramadasan Kuttan, Director, Amala Cancer Research Center for providing laboratory facilities for the successful completion of my work. I am thankful to Dr. Girija Kuttan, Dr. Jose Padikkala and Dr. Janaranadhanan, Amala Cancer Research Center, Thrissur for their help and suggestions during the course of this investigation.

Dr. Irmgard Jäger-Zürn, Germany was helpful to me throughout the period of the investigation. I am immensely thankful to her for the suggestions and advice that she gave me.
I am gratefully acknowledged Dr. Devadas, Director, Central Institute of Fisheries Technology, Cochin, Dr. Suseela Mathew, Scientist, Central Institute of Fisheries Technology, Cochin, Dr. Subburaju, Lecturer, J. S. S. College, Ooty for their help in doing various analysis in phytochemistry.

I recall with gratitude Dr. Uniyal, Department of Environmental Biology, University of Delhi for providing the methodology of vegetation analysis and Dr. P.K.K. Nair, former Dy. Director NBRI Lucknow for constructive criticism and scholarly suggestions.

I acknowledge with thanks the invaluable assistance and co-operation rendered by Dr. Sabu, M C., Scientist, Vaidyaratnam Oushadhasala, Thaikkattussery; Mrs. Priya Thampi, Research scholar, Amala Cancer Research Center, Thrissur; Mrs. Vaheeda K.K, Selection grade lecturer, Asmabi College, P.Vemballore and Dr. Beena B. Nair, U.C. College, Aluva.

I am deeply indebted to Baiju and Sanalkumar, Research Scholars, University of Science and Technology, Cochin, for assisting to identify the geology of the study area. I place on record my sincere thanks to Dr. Aysha, Department of Geology, M.E.S. College, Ponnani for providing Toposheets to examine and locate the latitude and longitude of the study area.

My thanks are due to Sri. H. Krisha Iyer, Retd. Principal Scientist, Extension, Information and Statistics, Central Institute of Fisheries Technology, Cochin for the help rendered in statistical analysis and interpretation of the data.

The library facilities extended by M.G. University, Kottayam; cift, Cochin; CMFRI, Ernakulam; Calicut University, Calicut; Amala Cancer Research Centre,
Thrissur; U.C. College, Aluva; S.N.M.College, Maliankara are gratefully acknowledged. I am thankful to the authorities of Calicut University and the Botanical Survey of India, Coimbatore, for helping to identify the specimens collected during the study.

I am indebted to Prof. Subramanyan K.P., former Head of the Department of Botany, S.N.M.College, Maliankara, who led me to the interesting world of ecology.

I am thankful to Dr. Jaho Sheeba Mathew, Sri. Jacob Eliyas, Dr. Nileena C.B., Dr. Geetha K., Dr. Lissy K.P., Smt. Egy T Paul, Dr. Priya K. Nair and Smt. Sonia for their timely help and suggestions. I am grateful to the non teaching staff of S. N. M. College, Maliankara and U. C. College, Aluva for their timely help.

I wish to express my gratitude to the University Grants Commission, Govt. of India, New Delhi, for the financial assistance and to the staff of M.G. University for their timely help.

I am thankful to Dhanya Biju and Minitek Computers for quick and neat execution of the manuscript.

I am much obliged to my mother, husband and other members of my family who gave me their encouragement and support in completing my research work.

Above all, I bow to the Almighty who led me through to the completion of this doctoral programme.
