33. The Platform for Action aims to accelerate the removal of the remaining obstacles to women's full and equal participation in all spheres of life, including economic and political decision-making; to protect women's human rights throughout the life cycle, and to mainstream women in all areas of sustainable development so that men and women can work together for equality, development and peace. For this purpose, the International Community, Governments, Non-governmental organisations and the Private Sector are called upon to undertake strategic action to implement the Nairobi Forward-looking strategies for the Advancement of Women in critical area of concern. *Towards Beijing*, United Nations Unies, Fourth World Conference on Women 38th session 1994, Draft, Platform for Action, Annex to resolution 38/10 of the commission on the 'Status Of Women, 18 March 1994.
