ACKNOWLEDGEMENTS

It is my pleasure to express a deep sense of gratitude to my guide, Dr. K.B Praveena, Asst. Professor, Department of Studies in Psychology, Manasagangotri, University of Mysore, for his advice, appropriate guidance, utmost patience and keen interest, constant supervision encouragement provided to me throughout the period of my research work for Ph.D degree in Psychology.

I am grateful to Dr. Lancy D’Souza, Associate Professor in Psychology, Department of Studies in Psychology, Manasagangotri, University of Mysore, for his cooperation and encouragement.

I appreciate Prof. T.M. Mahesh for his hard working to help us in completion of my thesis. He is one of the wonderful persons that I met in India.

I extremely thankful to my parents and brothers, mother and father in laws, brother in laws and their family, and sister in law and their family for their moral support and encouragement throughout the research period till completion.

I am extremely thankful and grateful to my dear wife Dr. Roghaiyeh Shahani Shalmani for his patient, encouragement and assistance throughout the research period till completion.

I also thank all the members of teaching and non-teaching staff and researcher scholars of the department for their cooperation throughout my stay in the department.
