Acknowledgement

I must appreciate guidance and help to achieve my completion of my research work from my guide Dr. (Brig) Amarjit Singh M.D. DMRD, FICR, FIMSA, Dean and Professor, Dr. V. M. Kulkarni M.D. HOD Radiology, Dr.A.L.Kakrani M.D. professor and HOD Medicine, Dr. S. P. Dubhashi M.S. Professor Surgery, Dr. Amit Kharat D.M.R.D. D.N.B Ph.D. Associate professor at Dr. D. Y. Patil Medical College, Pimpri, Pune. Dr. S Suresh (Chennai) a great teacher who inspired and taught me science and art of ultrasound. I did seek a helping hand from biostatistician for analysis of data. Not to forget patients who tolerated me for extra time needed for brain volume. Last but not the least my late father and late mother who always encouraged me to achieve excellence, my friends and my wife helped me to achieve my goal.
