ACKNOWLEDGEMENT

The author on the very onset expresses his gratitude & indebtedness to Prof. P. C. Bhattacharjee, Retd. Head of the Department of Zoology, Gauhati University and Dr. Sudip Dey, Scientific Officer, Sophisticated Analytical Instrument Facility, North Eastern Hill University, Shillong, Meghalaya for their guidance in selection of this interesting topic, expert suggestion, constant supervision and encouragement throughout the study period which delivers this manuscript.

The author deeply acknowledges Sh. R.K. Samal, IFS the then Regional Deputy Director, Wildlife Crime Control Bureau, (ER), Kolkata for giving permission to carry out the research work inspite of hectic schedule of the department. A profound sense of gratitude is expressed to all the Heads, Department of Zoology, Gauhati University for allowing the necessary formalities to carry out this research work.

The author expresses his sincere gratefulness to Sonadhar Doley, IFS Chief Wildlife Warden, Forest Department, Government of Assam for his kind permission to collect the necessary samples without which the entire work could not have been carried out.

The author deeply gratitude to Sh. Abhijit Roy Choudhury, Assistant Director, Wildlife Crime Control Bureau, Guwahati for his encouragement in carrying out such a piece of work. Sincere acknowledgement to the Director, Zoological Survey of India for permitting to study my samples at Kolkata, Dr. J.K. De, ZSI, Kolkata for helping in preparation of cast of the hair samples, Sophisticated Analytical Instrument Facility, North Eastern Hill University, Shillong for using the SEM and to Dr. Dipali Devi, IASST, Boragaon, Guwahati for her encouragement in conducting this research work.

The author duly acknowledged Dr. Ramesh Nath, Assistant Professor, Department of Zoology, Dhing College, Dr. Nabajit Das, Assistant Professor, Department of Zoology, Barpeta Road Howly College, Dr. Jihosuo Biswas, and Dr. Jayanta Das for their consistent moral support and encouragement.

Sincere thanks to Rustam Ali for his core help in making the statistical analysis of the data. Inspiration & blessing from my deceased father who inspired me to carry out the research work, my mother, brother, sister and all other family members, relatives and all well wishers whose name may not have been mentioned but none have been forgotten.

Lastly, I am thankful to my wife Rijumoni for her continuous effort in writing of this thesis and my little daughter Kavyanjali for her love and affection in bringing out this work.

Date:        (Kishor Kumar Sarma)
