ACKNOWLEDGEMENT

The present work was carried out under the supervision of Dr. D.M. Mahajan, Associate Professor, Department of Botany, Waghire College, Saswad, Pune and Dr. R.S. Gavali Associate Professor, School of Earth Sciences, University of Solapur. I am extremely grateful to them for their invaluable guidance and I take this opportunity to convey my sincere thanks for their constant encouragement throughout the period of this work.

I would like to give my sincere thanks with a deep sense of gratitude to Dr. V.S. Rajurkar (Head, Department of Environmental Sciences); Professor Vikram S. Ghole, and Professor Praveen G. Saptarshi, Former Head, Department of Environmental Sciences, University of Pune, for providing me the necessary facilities in the Department. I also owe my sincere gratitude to Dr. Alka S. Gadgil, Emirates Professor, Department of Environmental Sciences, University of Pune, for providing me job opportunity during my work so that I can complete my work without disturbing my family and social life. My special thank are due to Professor, Dr. Kumar Rao, College of Military Engineering, Pune, for his timely help in solving my tangled statistical concepts. I am also thankful to Dr. S.V. Mhapuskar, Trustee Dr. Appasaheb Patwardhan Paryaran Tantrniketan, Village Dehu, for his moral and technical support.

I remain in debt of my fellow colleagues and friends Mr. Kedar Rijal, Mr. Khairnar, Mohan Yadav, Satish Awate, Santosh Patil, Amol Namjoshi, Sunil Solankure, Ashwin Patil, Ajay Khamkar, Jagdish Redekar and Chandrakant Patil.

I must record my sense of appreciation towards my mother Mrs. Vimal M. Marale, my father Mr. Mohan R. Marale, my brother Ashok M. Marale and my maternal uncle Mr. Hanmant R. Kale for their continued support and encouragement.

I would like to thank my beloved wife, who supported me morally and very strongly during some important movements and also my daughters. Finally, I am grateful to all those who have supported me directly or indirectly throughout this study.
