DECLARATION BY GUIDE.................................................................i

DECLARATION BY THE CANDIDATE..................................................ii

CERTIFICATE FOR PRE PHD PRESENTATION....................................iii

ACKNOWLEDGMENTS........................................................................vi

TABLE OF CONTENTS ........................................................................vii

LIST OF TABLES..............................................................................xiii

CHAPTER 1—INTRODUCTION.........................................................01

1.0 Introduction..............................................................................01

1.1 Parenting Styles.......................................................................03

1.1.1 Definition of Parenting Styles.............................................04

1.1.2 Theoretical Models of Parenting Styles...............................05

1.1.3 Characteristics of Parenting Styles.....................................09

1.1.4 Gender and Parenting in India............................................11

1.2 Career Decision Self Efficacy...................................................12

1.2.1 Definition of Career Decision Self Efficacy.........................12
1.2.2 Theoretical Model of Career Decision Self Efficacy ........................................... 13
1.2.3 Career Decision Self Efficacy and Parental influence ......................................... 15

1.3 Career Maturity ............................................................................................................. 16
1.3.1 Description of Concept .............................................................................................. 17
1.3.2 Definition of Career Maturity .................................................................................. 18
1.3.3 Theoretical Model of Career Maturity ..................................................................... 19
1.3.4 Career Maturity and Parenting Styles ..................................................................... 21

1.4 Rationale of the Study .................................................................................................. 22

CHAPTER 2—LITERATURE REVIEW .................................................................................. 23

2.0 Introduction .................................................................................................................. 23

2.1 Parenting Styles .......................................................................................................... 23
2.1.1 International studies related to Parenting style .................................................... 23
2.1.2 Indian studies related to Parenting Style ............................................................. 30

2.2 Career decision self efficacy ........................................................................................... 33
2.2.1 International studies related to Career decision self efficacy ................................. 33
2.2.2 Indian studies related to Career decision self efficacy .......................................... 38
2.2.3 Parental Influence in Career Decision Self Efficacy ............................................ 39
2.3 Career Maturity

2.3.1 International studies related to Career maturity

2.3.2 Indian studies related to Career maturity

2.3.3 Parental Influence in Career maturity

CHAPTER 3—METHODOLOGY

3.0 Introduction

3.1 Research Problem

3.2 Objectives

3.3 Hypotheses

3.4 Variables

3.4.1 Independent variables

3.4.2 Dependent variables

3.5 Research Design

3.6 Participants

3.7 Instruments

3.7.1 Parental Authority Questionnaire (PAQ)

3.7.2 Career Decision Self-Efficacy Scale—Short Form (CDSE-SF)

3.7.3 Career maturity Inventory- Revised (CMI-R)
CHAPTER 4—RESULTS & DISCUSSION

4.0 Introduction

4.1 Demographics of the Study Sample

4.2 Correlations

4.3 Regression Analysis

4.3.1 Self Appraisal with Parenting Styles

4.3.2 Occupational Information with Parenting Styles

4.3.3 Goal Selection with Parenting Styles

4.3.4 Planning with Parenting Styles

4.3.5 Problem Solving with Parenting Styles

4.3.6 CDSE-Total Score with Parenting Style

4.3.7 Career Maturity with Parenting Styles

4.4 ANOVA

4.4.1 Educational stream with parenting style

4.4.2 Educational stream with Career decision self efficacy and Career Maturity

4.5 t-Tests

4.5.1 Gender differences in parenting style
4.5.2 Gender differences in Career decision self efficacy and Career maturity

4.5.3 Residence differences in parenting style

4.5.4 Residence differences in Career decision self efficacy and Career maturity

CHAPTER 5—SUMMARY AND CONCLUSIONS

5.0 Prologue

5.1 Summary

5.2 Conclusions

5.3 Implications and Recommendations

5.4 Limitations

5.5 Future Research

REFERENCES

APPENDICES

A. Demographic form

B. Parental Authority Questionnaire (PAQ)

C. Career Decision Self-Efficacy Scale—Short Form (CDSE-SF)

D. Career maturity Inventory- Revised (CMI-R)

E. Copies of the published Research Papers
