ACKNOWLEDGEMENT

To God the father of all, we thanks for the strength that keep us standing and for the hope that keep us believing that this affiliation would be possible and more interesting.

I express my profound regards and gratitude to my guide Dr. Pinakinprasad K. Yagnik, Associate Professor, Anand Education College, Anand for his invaluable guidance, tremendous encouragement, utmost interest, constructive suggestion and approachability. I am really blessed to have completed my research under his supervision.

I am deeply grateful to Dr. Maheshchandra, Professor Department of Education Sardar Patel University for his valuable guidance and encouragement whenever necessary for this research work.

I am sincerely thankful to the Principals of selected Higher Secondary Schools of Central Gujarat who have consented me to collect data during study and investigation. I am also thankful to the respondents for their kind cooperation.

I am, really thankful to Librarians of C.A.S.E study centre, Vadodara, H. M. Library, Vadodara, Bhaikaka Library, V.V.Nagar, who had been most helpful in directing my attention to reference material’s and research reports bearing significant information.

I have no enough words for expressing my gratitude to my husband Mr. Parag Shah, family members, staff members and all the friends for their persistent encouragement and help in various ways. I am heartily thankful to Jaimin and Manan for making thesis presentable.
