CONTENTS

CHAPTER 1 INTRODUCTION 1-47

1.1 Introduction
1.2 Historical Traces of the HIV
1.3 Immune System
1.4 Developmental stages of HIV/AIDS
1.4 Signs and Symptoms of HIV Infection
1.5 Incubation Period
1.6 Detection of HIV/AIDS
1.7 Mode of HIV transmission
1.8 Mode of HIV transmission
1.9 Myth and misconception
1.10 National AIDS Control programmes
1.11 Haryana AIDS Control Society
1.12 Global scenario of HIV/AIDS till 2013
1.13 Problem of the Present Study

CHAPTER 2 REVIEW OF RELEATED LITERATURE 48-98

2.1 Indian research studies on HIV/AIDS and Truck Drivers.
2.2 International research studies on HIV/AIDS and Truck Drivers

CHAPTER 3 RESEARCH METHODOLOGY 99-110

3.1 Objectives
3.2 Hypothesis
3.3 Research design
3.4 Universe
3.5 Sample and Sampling Techniques
3.6 Tool used for data collection
3.7 Sources of data collection
3.8 Analysis and Interpretation of data
3.9 Locale of the study
3.10 Chapter Plans of the study
3.11 Definitions of the key term used
3.12 Limitation of the study

CHAPTER 4 RESEARCH FINDINGS AND DISCUSSIONS 111-176
4.1 Socio-economic profile of the Respondents
4.2 Working profile of the Respondents
4.3 Knowledge about HIV/AIDS
4.4 Attitude of the respondents towards Sex & HIV/AIDS
4.5 Sexual Practice of the respondents

CHAPTER 5 SUMMARY AND CONCLUSION 177-203
5.1 Findings of the study
5.2 Conclusion
5.3 Suggestions
5.4 Social work intervention in HIV/AIDS

BIBLIOGRAPHY 204-218

INTERVIEW SCHEDULE 219-225
