ACKNOWLEDGEMENTS

I am deeply indebted to my supervisors, **Prof. S. S. Teotia** and **Prof. Dinesh Kumar**, Department of Geophysics, Kurukshetra University, Kurukshetra for their supervision, guidance and motivation throughout the research work. They had also shared their experiences with me and advice me whenever I am in need. They had always encouraged me to explore new ideas and nourish me with their valuable suggestions which made it possible to complete this research work. Their keen interest and constant involvement with encouragement always refresh me whenever I got exhausted. Whenever I had problem regarding the writing skills, they had taught me with their inventive suggestions and creative criticism. Their oasis of knowledge inspires me and enriches my growth as a student and researcher.

I express my sincere gratitude to **Prof. R. C. Patel**, Chairman, Department of Geophysics, Kurukshetra University, Kurukshetra for providing me all the possible facilities during this research work.

I also pay my heartiest gratitude to **Prof. B. S. Chaudhary, Dr. R.B.S. Yadav and Mr. Sushil Kumar**, Department of Geophysics, Kurukshetra University, Kurukshetra for their support, constructive comments and valuable suggestions during this work.

I would also like to thank **Dr. Kamal**, Department of Earth Sciences, IIT, Roorkee for providing me the data to carry out this research work.

This work have been carried out under the project sanctioned by Ministry of earth Sciences (MoES) vide MoES/P.O.(Seismo)23(649)/2007, dated 16-12-2008 in which I had worked as JRF in the initial stage of this work.

I am extremely thankful to my juniors **Dr. Paramjeet Singh, Dr. Parveen kumar, Ms. Vinay Kundu, Mr. Akhil Kumar, Mr. Parmod Kumar** for their creative ideas during tea parties and boast my confidence whenever I feel low. They always encourage me with positive attitude and help me in finalising the research work.

Finally, the work of this thesis would have been impossible without the encouragement, support, inspiration, blessings of my family. Firstly I would like to express my thanks to my husband **Mr. Shalinder Singh Sandhu** for his moral and emotional support to carry out this work. I also wish to thank my in-laws and my family for their blessings and kind support.
I would like to make special thanks to my loving daughters Aditi and Aradhaya for being patient as they are eagerly waiting for me to reach home but I used to stay here in the department.

Besides this, I would like to thank all others whose names, I have failed to add over here, for helping me either directly or indirectly in all even and odd times.

Thank you everybody!!!
