I began my virtuous task under the kind guidance of Dr. J. Z. Patal, Ex-Reader in Education, Sardar Patel University, Vallabh Vidyanagar. I am highly indebted to him for his invaluable advice and constant encouragement throughout this study. It is my sense of gratitude in words to this eminent research in field of achievement.

I take this opportunity to pay my due regards to shri K. M. Shah, Principal, M. B. Patel College of Education, Vallabh Vidyanagar, and to my colleagues in the college for their inspiration.

I will be failing in my duties if I would not mention a note for the willing co-operation of the principal, Shree N. C. Patel, staff and students of shee B.A. Patel high school Changa, who responded in my research work.

I desire to place a note of special appreciation and gratitude for my parents and my wife, who had borne patiently the undue suffering owing of my long spells of absence at home.
Last but not the least, it is indeed difficult to express my feelings of gratitude adequately to all nearest and dearest who have directly or indirectly offered the valuable assistance during this research study.
