ACKNOWLEDGEMENT

The study has been designed and executed under the most able supervision of Dr. J.C. PARIKH, Department of Psychology, Sardar Patel University, Vallabh Vidyanagar. It is difficult to find appropriate words to express my sincere gratitude towards my supervisor, who has helped me, at all the stages of this research. I am also grateful to the family members of my supervisor, who have never resented my intrusion in their territory. What a learning environment at his residence!

I am specially thankful to Prof. Pramod Kumar, Head, Department of Psychology, Sardar Patel University, for permitting me to complete the work. I am also thankful to Dr. J.B. Patel, Dr. D.B. Bhatt and Dr. N.R. Parmar for their direct or indirect possible help in carrying out this work. I am thankful to all the persons — my colleagues at Shriji Mahila College, Junagadh and others for their help in the completion of this work.

Two other persons devoted long hours and provided inspiration to me for producing this text, and I owe both of them: Dr. Savaliya M.K., Principal, Shriji Mahila College, Junagadh is the real main source of motivation. Mrs. L.D.
Gondaliya, my wife, gave me her help, encouragement and boost my morale through out the project. Both - my wife and son uncomplaining accepted my odd hours while I was working on my research.

Special thanks are extended to all of them who participated in study by making themselves available to the research as subjects. The kind assistance extended by Shri Paul Macwan by typing the manuscript with zeal and vigour as well as with neat and clean is gratefully acknowledged. Ultimately I shall be grateful to all those concerned and who might have been sunkin to my oblivion.
