ACKNOWLEDGEMENT

It is the most awaited moment of immense pleasure to be able to express my deep sense of gratitude to my Guide Dr. H.H Agrawat, Dean, C.U. Shah Medical College, Surendranagar under whose invaluable guidance and supervision the study has been brought to a successful end. He has always been a source of great encouragement & inspiration for me.

I sincerely thank Dr. M.B. Shah, Professor and Head, Department of Microbiology, for sharing his time with suggestions to improve my work. I gratefully acknowledge Dr. Sunil Trivedi, Principal, Shri LP Patel Institute of Medical Laboratory Technology for his constant support, inspiration, timely and valuable advice and encouragement.

I warmly and sincerely thank all my colleagues: Dr.Yagnesh Pandya, Dr. Rupal Patel, Mrs. Mudita Paliwal, Dr. Nimisha Shethwala and Mr. Chirag Patel, who showed keen interest in my study and supported me. I would like to express my heartfelt thanks to our residents Dr. Jayant Debnath, Dr Sagarika Pradhan, Dr. Chirag Modi, Dr. Pragnya, Dr. Atul, Dr. Amar, Dr. Soeb, Dr. Sarita and Dr. Krutarth who had very happily helped me at various stages of this study. I am also thankful to all technical staff of Microbiology Department for their help and co-operation.

I sincerely thank all the members of Central Research Cell particularly Mr Ajay Phatak for his selfless help in statistical analysis of the data, without which the work would have remained meaningless.

I would like to take this opportunity to thank my family members particularly my mother in law Mrs. Usha Singh, without her blessings, unconditional love and support in every aspect of my life, this work would not have been possible. I am deeply indebted & owe a special thanks to my kids Saumya & Jinit for being extremely supportive and understanding throughout. I am thankful to my husband Dr. Praveen R Singh Associate Professor, Department of Anatomy, P.S.Medical College, Karamsad, for being a continuous source of inspiration and support.

Finally my deepest gratitude goes to all the patients participating in the study for their co-operation. Nothing can begin or end without the blessings of that unseen power and I bow to Thee for his ever presence.

Suman P Singh
