PREFACE

The investigator was keenly interested in the field of Achievement Motivation since the pioneering project started in this upcoming field of psychology in M.B. Patel College of Education under the direction of Principal R.S. Trivedi and Dr. D.B. Desai.

This research work is an attempt to study human motives of an individual, and inner motives of females in particular. The investigator heartily thanks the experts who have given their full co-operation from the beginning till the end of this research work.

I am grateful to Dr. D.B. Desai who inspired me to venture into this multivariate field of research. I am deeply indebted to my guide, Principal R.S. Trivedi who has insightfully guided me with his constructive and creative suggestions throughout this work. I express my thanks to the statistical personnel Shri B.A. Patel and Shri Krishnamurti of the Physical Research Laboratory, Ahmedabad for the data process. I take this opportunity to express my sense of gratitude to the experts in statistics Dr. B.K. Fassi, Dr. R.N. Patel and Shri H.F. Patel for their statistical advice, and discussion and guidance in the processed statistical work.

I am thankful for the co-operation of the Principals, and teachers and girl students of all the colleges, Heads of the Departments, Administrative Section, and Wardens of the hostels of the Sardar Patel University. I am also thankful
to the research fellows of the Centre for Advanced Study in Education, M.S. University of Baroda, for their discussion and suggestions on the scoring scheme of the tools, and Library Personnel of the CASE, University Library of Baroda and Vallabh Vidyanagar. I heartily extend thanks to my colleagues who have helped me directly or indirectly in this work.

I owe my deepest and inner most gratitude to my friends and family members who have consistently provided me feedback, incentives and valuable help to complete this work. I wish and hope that this work would be valuable to research students who are interested in this field of work.
