ACKNOWLEDGEMENT

A multidimensional research on the administrative behaviour constitutes a stupendous task which requires the willing co-operation and active participation of the Principals and Teachers of various Schools. I thank all the Principals and teachers who associated themselves in this research activity.

I acknowledge with deep gratitude the scholarly counsel received from my Guide Dr. A.V. Patel, Reader in Education, Sardar Patel University, Gujarat, whose inspiring guidance and continuous help has been greatly responsible for the completion of the study.

I thank Dr. Chandra Kumar, St. Xaviers' College of Education, for his constant encouragement and for his constructive and valuable suggestions.

Thanks are extended to the Director of School Education Tamil Nadu, to the Chief Education Officers, to the District Education Officers and the Inspectresses of Schools who had been of great help, in introducing the investigator to the subjects of study - the Heads of Higher Secondary Schools and in gathering data.

Deep gratitude is expressed to Sr. Lutgarde and my Colleagues for providing a stimulating environment - one of free and frank discussions and suggestions.
Mrs. Faritha Fazul who whole heartedly assisted me in this research study, deserves a special recognition and my sincere thanks.

My thanks to Prof. Arockia Dhas and Mr. Soosai Raj for their contribution to the computerization of the matter and data.

I owe my gratitude to my Family the I.C.M. Community, for giving me the opportunity to work at this research and for providing me the necessary facilities. I also extend my heartfelt thanks to my close associate Sr. Landrada for all her encouragement and support.
