ACKNOWLEDGEMENT

It gives me great pleasure to express my deep sense of gratitude to Dr. B. Kumaran, M. Sc., M. Phil., Ph.D., Reader, Department of Zoology, Kanchi Mamunivar Centre for Post Graduate Studies, Pondicherry- 605 008, for suggesting the problem, able guidance with responsive encouragement, unfailing help with brotherly affection, constructive criticism and instant provision of all requirements without which it would not have been possible for me to complete this work.

I am deeply grateful to Dr. A. Passoupathy, Ph. D., Head, Department of Zoology, Kanchi Mamunivar Centre for Post Graduate Studies, Pondicherry- 605 008, for his deep interest, guidance and unfailing help throughout the course of my Ph.D. program.

I wish to acknowledge my sincere thanks to Dr. V. Balalalida, Director and Dr. K. Uma, Former Director, Kanchi Mamunivar Centre for Post Graduate Studies, Pondicherry- 605 008, for allowing me to carryout the work in this institution and his kind encouragement.

I am very grateful to Prof. P. Natarajan, Prof. H. N. Elangovan, Former Head, Department of Zoology, Kanchi Mamunivar Centre for Post Graduate Studies, Pondicherry- 605 008, for their valuable suggestions and encouragement through out the work.

I extend my hearty gratitude to Dr. V. Anandan, Reader, Dr. A. Gunasingh, Reader, Dr. G. Krishnamoorthy, Lecturer, Dr. V. Ravichandran, Lecturer, and Dr. S. Rajalakshmi, Lecturer, Kanchi Mamunivar Centre for Post Graduate Studies, Pondicherry.

I wish to express my sincere gratitude to Dr. M. Michael Aruldhas, Ph.D., F.R.E., Professor and Head, Dr. N. Srinivasan, Ph.D., F.R.E., Professor, Department of Endocrinology, Dr. A.L.M. P.G. Institute of Basic Medical Sciences, Taramani, Chennai, for their guidance, suggestion,
encouragement, sustained interest evinced to successful completion of this work.

My sincere thanks to Dr. K. Balasubramanian, Ph.D., F.R.E., Professor, Dr. J. Arunakaran, Ph.D., F.R.E., Lecturer, Dr. B. Ravisankar, Ph.D., Lecturer, Dr. T. Malini, Ph.D., Women Scientist, Department of Endocrinology, Dr. A.L.M. P.G. Institute of Basic Medical Sciences, Taramani, Chennai, for permitting and providing the library and laboratory facilities for cell isolation and biochemical studies.

I am very grateful to Prof. P. Govindarajulu, Ph.D., F.I.C.S., F.R.E.S (London), Professor and Head (Retd.), Co-ordinator, UGC-SAP-DRS, Department of Endocrinology, Dr. A.L.M. P.G. Institute of Basic Medical Sciences, Taramani, Chennai, for his kind encouragement and help rendered for the hormone assay.

I sincerely thank Dr. M. A. Akbarsha, Ph.D., Professor and Head, Department of Animal Sciences, Bharathidasan University, Tiruchirapallai for his kind and unfailing help in the Electron microscopic studies.

I extend my sincere thanks to Dr. V. Ramalingam, Lecturer, Bharathidasan Government College for Women, Pondicherry, for his unfailing help, valuable suggestion, and encouragement throughout my study.

I am greatly thankful to Dr. V. Balaraman, Deputy Director, Dr. Kalayanasundaram, Professor and Head of Chemistry, Dr. Nisha Mathew, Senior Officer, Department of Chemistry, Vector Control Research Centre (VCRC) for providing library and laboratory facilities for HPLC analysis.

My sincere gratitude to Dr. K.N. Singh, Gharda Chemicals Limited, International Marketing and Development Department, India for the gift of carbendazim without which I could not complete my work successfully.
I express my thanks to **Dr. R. Balakrishnan**, Controller of Examinations, Bharathidasan Government College for Women, Pondicherry, **Dr. S. Subramanian**, Head, Department of Economics, **Dr. Srinivasan**, Head, Department of Chemistry, **Dr. Meenaskhi**, Lecturer, **Dr. Petros**, Lecturer, Kanchi Mamunivar Centre for Post Graduate Studies, Pondicherry, for their encouragement and help.

A special thanks to my friends, **Dr. R. Ilangovan**, Dr. S. Sitta Djody, Dr. S. Yuvaraj, Dr. R. Sivakumar, Dr. P. Kanagaraj, Dr. M. Balaganesh, Dr. M. R. Vijayababu, Mr. C. Parthasarathy, Mr. M. Sridhar, Mr. P. Venkataraman, Dr. C. Thangam, Ms. K. Yasodha, Dr. S. Subramanian, Ms. N. Kalpana, Ms. Soudamani Singh, Dr. S. Thilaga, Dr. Murali, Dr. Sathish, Dr. Victor, Dr. Natarajan, Dr. Pradeep, Mr. J.A. Stanley, Mr. G. Venkatesh, Ms. S. Veni, Mr. J. Anbalagan, Mr. S. Rengarajan, Ms. Priya, Ms. Viji, Dr. V. Gopalakrishnan, Dr. P. Murugesan, Ms. Annapoorna, Ms. Gunadharani, Ms. Kalaiselvi, Dr. A. Arunkumar, Dr. P. Sekhar, Mr. N. Singaravelu, Mr. Kr. J. Kannan, Dr. Deepa, Department of Endocrinology, Dr. A.L.M. P.G. Institute of Basic Medical Sciences, Taramani, Chennai, for their kind help, co-operation, dynamic support and encouragement throughout my thesis work. I am really grateful to them.

I thank **Mrs. D. Thirupurasundary**, Head, Department of Zoology, **Mr. R. Karunanidhi**, Lecturer, **Dr. Kadem Ramudu**, Lecturer, **Mrs. R. Malarvizhi**, Lecturer and **Mr. T.V. Thirumavalavan**, Lecturer, Tagore Arts College, Pondicherry, **Mrs. P. S. Nirmala**, Head, Department of Zoology, Mrs. S. Gregalatchoumy, Lecturer, **Mrs. S. Jayalakshmi**, Lecturer, **Mr. V. Muthu**, Lecturer, **Mr. S. Muthuvivekanadan**, Lecturer, Bharathidasan Government College for Women, Pondicherry, for their kind encouragement, constant help and moral support.
I sincerely thank Dr. P. G. Gunasekar, Assistant Professor, Department of Biology, U.S.A, Mr. A. Vijaya Kumar, PASIC, and Dr. G. Archunan, Reader, Bharathidasan University, Tiruchirapallai, Dr. V. Sathyanarayan, Head, AVC College, Myladuthurai, Mr. B. Dhandapani, Secretary, Senthil Education Society, for their suggestion in the completion of this work.

I would thank Mr. S. C. Parija, Officer-in-Charge and other Staff of the Central Animal House, JIPMER, Pondicherry for providing animals and also permitting me to use the library facilities.

I express my heartfelt thanks and gratitude to Mr. V. Jaganathan, Gastroenterology, Dept. Wellcome Research Laboratory, Vellore for his kind and unfailing help in microscopic study.

I am very much thankful to Dr. P.P. Mathur, Officer In-Charge and Staff of Bioinformatics Centre, Pondicherry University, and librarians of Rajiv Gandhi College of Veterinary and Animal Sciences, Fedrick Institute of Toxicology and Biotechnology, Pondicherry for providing me the necessary facilities for literature search.

I also thank my friends Dr. Pannerdoss, Mr. S. Ilango, Mrs. I. Girija, Mr. B. Kalivaradhan, Mr. V. Manohar, Mr. G. Sivapragasam, Mr. P. Simon, Mrs. S. Kashthuri, Mr. Nirmal Kumar, Research scholars, Kanchi Mamunivar Centre for Post Graduate Studies, Pondicherry, for their encouragement and help.

I thank my colleagues Ms. A. Amuda, Mr. Irissappan, Mr. Ilayaperumal, Mr. Jeash, Mr. Vijayakumar, Mr. Sakthivel, Ms. Vanathy, Mrs. Nandikeshwari, Ms. Sheeba, Ms. E. Vasantha, Mr. Pushparaj, M.Phil. scholars, Department of Zoology, Kanchi Mamunivar Centre for Post Graduate Studies, Pondicherry, for their co-operation in the laboratory and Mr. S. Fizil, Mr. B. Kadalmani, Ms. R. Girija, Ms. S. Thasneem and Ms. S. Bhuvaneshwari, Bharathidasan University, Tiruchirapallai, for their encouragement.
I also extend my thanks to Mr. Thirunavukarasu and Mrs. Gowri for their help in the laboratory.

Above all, I owe a deep sense of gratitude to my Father, Mr. S. Sivasankaran, mother, Mrs. S. Chandrika, brother, Mr. S. Egambara Ganesh, sister Mrs. R. Latchoumy, brother-in-law Mr. R. Ramkumar and niece Ms. R. Bhowya for their continuous help, everlasting encouragement and moral support throughout my course of study and seek their blessings for my future endeavours.

(S. RAJESWARY)
